

Gineus Mind: Revolutionizing Child Counseling Education in Kolkata

Kolkata, West Bengal Nov 26, 2024 ([IssueWire.com](https://www.IssueWire.com)) - Gineus Mind, an innovative academy specializing in child counseling courses, has officially opened its doors in the heart of Kolkata. As the first of its kind in the region, Gineus Mind aims to equip aspiring counselors, educators, and parents with the skills necessary to support the emotional and psychological well-being of children in today's fast-paced world.

Pioneering Child-Centered Learning

Gineus Mind's programs are meticulously designed to cater to a wide spectrum of learners, from beginners exploring the fundamentals of child psychology to seasoned professionals looking to refine their counseling skills. The academy blends theory with hands-on practice, ensuring students gain a deep understanding of child development, behavioral challenges, and effective intervention strategies.

"Children face unique challenges today, from academic pressures to digital distractions," said Chandan Chakraborty, the visionary behind Gineus Mind. "Our mission is to create a community of professionals who can provide compassionate, informed guidance tailored to each child's needs."

Courses Tailored for Modern Challenges

The academy offers a range of courses, including:

- **Certificate in Child Counseling:** Covering essential techniques to build trust and address common emotional hurdles.
- **Advanced Training in Behavioral Therapy:** For addressing more complex issues like anxiety, ADHD, and social skill deficits.
- **Parent Coaching Workshops:** Empowering parents to nurture emotional resilience and strong communication with their children.

Each course is taught by experienced professionals, blending global best practices with localized insights into the unique challenges faced by children in India.
