Saint Paul, Minnesota Nov 5, 2024 ([Issuewire.com](https://www.issuewire.com)) - [Kindred Tales](#), a leading gift and memoir service helping families preserve cherished memories through storytelling, is proud to announce the launch of its affiliate program on Awin and Skimlinks. This initiative provides bloggers, influencers, and content creators in the lifestyle, family, and senior care spaces with an exciting opportunity to partner with Kindred Tales in promoting a meaningful service that captures and preserves family stories for generations to come.

Through its one-time payment subscription, Kindred Tales delivers 52 weekly prompts designed to guide individuals in documenting personal stories, family memories, and life experiences. These responses are then transformed into a beautifully printed hardcover book—a unique keepsake that celebrates the legacy of loved ones. With the addition of [AI-powered tools](#) such as their Ali AI Biographer and voice-to-text transcription, Kindred Tales makes memoir creation accessible to everyone, from tech-savvy individuals to older generations who may prefer a more hands-off experience.

“Kindred Tales was founded with the mission to help families preserve their stories,” says Nick Hern, Founder. “Our new affiliate program on Awin and Skimlinks is an exciting step forward. By partnering with content creators who value family, heritage, and legacy, we can reach more families who want to capture and celebrate the unique stories of their loved ones.”

Affiliate Program Details:

The Kindred Tales affiliate program offers competitive commission rates—either 15% or a flat \$20 per conversion—making it an appealing opportunity for partners interested in promoting thoughtful and impactful gifts. The affiliate program launch also aligns with the holiday season, a time when families are especially focused on finding meaningful gifts for parents and grandparents.

Kindred Tales’ inclusion in the Awin and Skimlinks networks means that affiliates will benefit from trusted platforms known for supporting high-quality, high-conversion brands. Partners will have access to Kindred Tales’ suite of promotional assets, including product descriptions, high-quality images, and seasonal offers designed to maximize engagement and drive sales.

Why Kindred Tales? As the interest in memoir creation continues to grow, Kindred Tales stands out for its simple, all-in-one approach to storytelling. Customers receive weekly prompts by email and can respond directly, simplifying the memoir-writing process. They also can take advantage of Kindred Tales many AI assistive technologies, such as their speech-to-text transcription service and Ali AI biographer, who will both interview you and write first drafts for a given chapter. The finished book is professionally designed and shipped to families, creating a lasting treasure of family stories and experiences.

Additionally, affiliates can feel confident promoting a service that resonates with audiences seeking meaningful, personal gifts—particularly during the holidays, birthdays, and other special occasions.

About Kindred Tales: Launched in 2023, Kindred Tales has been at the forefront of modern family legacy preservation through a unique combination of guided storytelling prompts and AI-assisted tools.

By offering a service that blends tradition with technology, Kindred Tales has quickly become a favorite among families looking to document their history and [share stories across generations](#).
