New York City, New York Nov 6, 2024 ([Issuewire.com](https://www.issuewire.com)) - Lisa Smejkal, a seasoned realtor and dynamic property manager with Watson Property Management on Jacksonville's Westside, is making a powerful impact in the real estate world. With a career spanning nearly two decades as a licensed Florida realtor since 2004, a trusted property manager with Watson since 2009, and currently the office manager of the Sunbeam branch, Lisa is celebrated for her commitment to exceptional service and her reputation for reliability and professionalism.

With her unique background as a former Navy service member, Lisa understands the challenges faced by military families when it comes to housing. To honor her fellow servicemen and women, she often provides discounts to military personnel and first responders, ensuring they receive the assistance they need when managing properties. Her dedication to these communities is a cornerstone of her business philosophy.

At Watson Property Management, Lisa shares her vice President's vision to evolve traditional property management methods by integrating leasing agents and maintenance staff into her operations, with aspirations to become a regional manager. Her comprehensive service offerings include full property management and tenant placement for homeowners looking to rent single-family homes, condos, and townhomes. Lisa's meticulous approach ensures that both property owners and tenants receive organized, honest support throughout the rental process.

One of the hallmarks of Lisa's service is her commitment to 24/7 availability for property management issues. She believes that tenants should never feel alone during emergencies or maintenance issues. This dedication not only enhances tenant satisfaction but also builds lasting relationships with homeowners, who appreciate her proactive and responsive management style.

Beyond her professional accomplishments, Lisa credits her strong work ethic and values to her parents, alongside the inspiration she draws from her husband, children, and grandchildren. Despite the challenges of losing one of her daughters, Lisa remains focused on cherishing every moment spent with her family, including her husband, Greg, their two daughters, and four grandchildren.

In her spare time, Lisa enjoys staying active by working out and riding horses, balancing her professional responsibilities with her passions.
