

## New Baba Trading Company - Delivering Premium Quality Turmeric Fingers Since 1983

**Nanded, Maharashtra Nov 20, 2024 ([IssueWire.com](https://www.IssueWire.com))** - New Baba Trading Company, a renowned name in the agricultural product manufacturing industry, continues to uphold its legacy of delivering high-quality Turmeric Fingers to customers worldwide. Since its establishment in 1983, the company has been a prominent manufacturer of premium turmeric fingers, turmeric powders, spices, and more, ensuring that every product meets the highest standards of quality.

New Baba Trading Company offers an extensive selection of agricultural products, including:

Turmeric Powder and Turmeric Finger

Chana Chickpeas and Chana Dal

Red Chillies and Powders

Soya and Soybean

Green Cardamom and more

Each product is carefully sourced using only the finest raw materials, ensuring that customers receive a superior and authentic experience. Through a meticulous 100% quality control process, from procurement to packaging, the company guarantees premium-grade spices that are safe, hygienic, and fresh.

"At New Baba Trading Company, we are committed to food safety and hygienic packaging practices, which is why we ensure that all of our products are not only of the highest quality but are also packed to preserve their freshness and nutritional value," said a company spokesperson.

Over the years, New Baba Trading Company has built a reputation for consistency, customer satisfaction, and dedication to delivering premium agricultural products that exceed industry standards.

As the company moves forward, it remains focused on expanding its offerings while maintaining the high standards of quality and hygiene that its customers have come to trust over the years.
