

Patty Ascher with 'Every Breath You Take' is Blowing Minds

Bringing back the flavors of classic hit tracks but with a flowy jazz tone to it is none other than the extremely talented Patty Ascher in 'Every Breath You Take'.

Las Vegas, Nov 22, 2024 ([Issuewire.com](https://www.issuewire.com)) - When The Police, an English rock band first dropped their track 'Every Breath You Take' it became a worldwide hit. There is a very few number of people who have not heard the track. It is one of the most iconic tracks a band has ever created. But the immensely talented singer **Patty Ascher** has thrown a unique flavor to this globally acclaimed track that nobody could ever imagine. This talented artist from Brazil started her career in 2007, which

might sound a little late but did not surpass her incredible voice and talent. She has released a new album that features a different version of the classic with the name '[Every Breath You Take](#)'.

The singer has managed to put a twist of Jazz into this cult song and make it her own. Her breezy and sultry voice seems like a perfect match for the lovely lyrics of '**Every Breath You Take**'. The talented and gorgeous singer **Patty Ascher** released her first album in 2007 which featured her voice singing the greatest hits of Burt Bacharach and it was produced by one of the Bossa Nova Founders, Roberto Menescal. This album created a completely new trajectory of the singer's musical career.

The massive success of her first album enabled her to keep on spreading love and joy through her music and it eventually gave birth to her second album which was released in 2010 where she showcased her own compositions while joining 10 important Brazilian maestros in collaboration. The new track is streaming on major music streaming platforms like [Spotify](#) and to get more information about the singer and her upcoming projects, fans can visit her social media profiles on [Facebook](#), [YouTube](#), [Instagram](#), [X](#), and [Apple Music](#).
