Rita Harper: A Beacon of Compassionate Real Estate Service for Oceanside Buyers and Sellers, Specializing in the Senior Community

New York City, New York Nov 6, 2024 ([Issuewire.com](https://www.issuewire.com)) - Rita Harper, an accomplished realtor with Coldwell Banker North County Realty, is making waves in the Ocean Hills Country Club community in Oceanside, California. With over four decades of experience in the real estate industry, Rita is dedicated to supporting seniors and their families through the often complex process of relocation and home transactions.

After a successful twenty-seven-year tenure in retail floor covering, Rita returned to her real estate roots in 1999. Her passion for helping seniors led her to earn the title of Seniors Real Estate Specialist (SRES), a designation held by only 1% of agents nationwide. This unique qualification empowers her to provide tailored support for older adults, ensuring that their specific needs are met during transitions in their living situations.

Seeing as how many seniors face significant challenges when it comes to relocating or selling their homes, Rita's goal is to create a kinder, more supportive environment for them during what can be a stressful time. By leveraging her extensive knowledge and experience, she offers compassionate guidance, whether it's selling a family home or finding the perfect active lifestyle community for retirement.

In addition to her focus on senior clients, Rita specializes in the representation of buyers and sellers for single-family residences, condominiums, senior retirement housing, vacation properties, and income properties. Her commitment to her clients is unwavering, as she strives to deliver timely, professional, and personalized service that meets and exceeds their expectations.

Rita is an esteemed member of several professional organizations, including the National Association of Realtors, the California Association of Realtors, and the North San Diego County Association of Realtors. Her dedication to the community extends beyond real estate, as she actively participates in the Senior Resource Association of North San Diego and volunteers at the local senior center. In recognition of her efforts, she has been honored as the Ambassador of the Year by the Oceanside Chamber of Commerce.

Rita credits her success to hard work, genuine compassion for others, and the grace of God. Her impressive accolades include the prestigious Diamond Society Award and the Honorary Presidents Award from Coldwell Banker, placing her among the top 8% of agents internationally. She has also been recognized as a Five Star Agent in San Diego for her exceptional client service.

Outside of her real estate endeavors, Rita enjoys contributing to the annual community toy drive and indulging in her hobbies, which include golfing, bocce, and sailing.

With a heart for service and a dedication to excellence, Rita Harper continues to make a significant impact in the Oceanside community.
