

Somewhere Stranger Bringing Back the Essence of Classic Rock with 'Delta Minor'

Hailing from Oregon, the prodigious band Somewhere Stranger is bringing back the rock vibes of the 60's, and 70's through their highly anticipated album 'Delta Minor'.

Portland, Nov 11, 2024 ([IssueWire.com](https://www.issuewire.com)) - When it comes to liking the rock genre, more than half of the world population will raise their hands, so to bring back the hype from the glorious past to the amicable future, the rock band **Somewhere Stranger** from Oregon is working with all of its heart. Their journey started in 2007 and there seems to be no stop sign for them as they bring out the very

essence of classic rock of the 60's and 70's in their brand new album '**Delta Minor**' which is nothing but a Greek Mythology inspired journey that delivers something inexplicably soothing to the ears. Two tracks from this album '**Apollo's Landing**' and '**King of Gods**' are creating quite a buzz among fans worldwide.

'**Delta Minor**' opens with the track '**King of Gods**' which is an unapologetically groove-driven track that is characterized by bursting energy and exciting dynamics. The riff sections can be considered nothing less than epic and when accompanied by the raw and soaring vocals, the track takes a different turn that nobody expects. The punching bassline and the captivating drums all throughout the track are what keep the momentum alive. The second track is called '**Apollo's Landing**' which is considered to be a Progressive-Rock/ Art-Rock epic and it is also **Somewhere Stranger**'s favorite track from their album. Clocking in at over 11 minutes long, this song is nearly an entire album of its own. Filled with thrilling twists and turns throughout, this track has become the symbol of a true rock masterpiece.

The band speaks about getting inspiration from legendary bands like Pink Floyd, Led Zeppelin, The Beatles and so much more. Their soundscape is a mixture of mysterious, and often eerie quality that creates powerful moods and fantastical soundscapes much to the delight of guitar-driven rock aficionados of all ages and evidently showcases the influences of the legendary bands. Both of the tracks are streaming on **Spotify** for fans to listen and they can get new updates about the band on their social media profiles on **YouTube**, [X](#), [SoundCloud](#), [Apple Music](#), and their own [website](#).
