Subhronil Mukherjee's journey is a powerful testament to resilience, determination, and the unwavering spirit of hope. Growing up in a financially poor family, he witnessed firsthand the hardships endured by his father, who sold tea on the footpath just to make ends meet. Those formative years, marked by struggle and sacrifice, instilled in Subhronil a relentless work ethic and an indomitable spirit to rise above adversity.

From 2018 to 2024, Subhronil worked diligently as a gym receptionist, but life took a harsh turn when he unexpectedly lost his job. In that moment, everything he had worked for felt like it was slipping away. "Losing my job was like watching the ground disappear beneath my feet," he recalls. "I was drowning in a sea of uncertainty, with bills piling up and loans hanging over me like a dark cloud. The anxiety was paralyzing, and I often lay awake at night, wondering how I would provide for my family."

Despite the overwhelming financial crunch, Subhronil found strength in the unwavering support of his wife, Priyanka Das, and his brother, Indranil Mukherjee. Their encouragement became the light in his darkest moments. "My family never gave up on me, even when I was ready to throw in the towel," he reflects. "They reminded me that every setback could lead to a comeback, and I drew on that belief to fight back."

With renewed determination, Subhronil embarked on a mission to turn his dreams into reality, giving birth to Subhronil Mukherjee Official. This multifaceted business venture, born from the depths of his struggles, now encompasses three thriving sub-businesses that serve as symbols of hope and resilience:

1. PS Travel – A trusted car rental service, proudly affiliated with major ride-hailing platforms like Ola, Uber, Indrive, and Rapido, providing essential transportation solutions for the people of Kolkata.
2. PRIYANK'S KITCHEN – A cloud kitchen registered on ZOMATO, where heartfelt meals are prepared and delivered to nourish families throughout the city, transforming the act of eating into a comforting experience.
3. Wholesale Grocery Store – A vital resource for bulk groceries, designed to support individuals and businesses while fostering community well-being.

Subhronil's commitment to growth is evident in his team, comprising 5 permanent staff members and 3 temporary employees. He fosters a nurturing environment, understanding that each individual plays a crucial role in the collective success. "I want my team to feel empowered, knowing that they are part of a journey that began with struggle but now thrives on hope," he shares.

"Every challenge has taught me valuable lessons; every setback has become an opportunity for growth," Subhronil says. His story serves as an inspiring reminder that even in the darkest times, love, hope, and perseverance can illuminate the path forward.

Looking to the future, Subhronil envisions expanding Subhronil Mukherjee Official, not only to create
