

## Upchurch Inspection Expands Service Area to Include Atoka, Brighton, and Covington

**Memphis, Tennessee Dec 2, 2024** ([Issuewire.com](https://www.issuewire.com)) - Upchurch Inspection, a trusted provider of residential and commercial home inspection services in Memphis, is pleased to announce the expansion of its service area to include the cities of **Atoka**, **Brighton**, and **Covington** Tennessee. This expansion allows Upchurch Inspection to better serve clients across a broader region, offering the same thorough, reliable, and customer-focused inspection services that have made the company a leader in the local market.

“We are thrilled to extend our reach to these growing communities,” said Wesley Upchurch, founder of Upchurch Inspection. “Atoka, Brighton, and Covington are exciting areas with an increasing demand for quality home inspection services. Our goal is to ensure that buyers, sellers, and investors in these areas can make informed decisions with confidence, backed by our detailed and comprehensive inspection reports.”

The expanded service area will now cover a range of properties, including single-family homes, multi-family units, commercial properties, and more. Upchurch Inspection’s professional team offers a variety of services including:

- Pre-purchase home inspections
- Pre-listing inspections for sellers
- Commercial property inspections
- New construction inspections

- Specialized inspections for issues like mold, radon, or foundation concerns

With the addition of Atoka, Brighton, and Covington to its service area, Upchurch Inspection remains committed to providing exceptional customer service, clear communication, and accurate inspection findings to clients throughout the region.
