New Delhi, Delhi Nov 12, 2024 (Issuewire.com) - Vezlay Foods, a pioneering name in vegan and plant-based meat alternatives, is thrilled to announce its participation at the India International Trade Fair (IITF) 2024, held at Pragati Maidan. From November [14th Nov 2024] to [27th Nov 2024], Vezlay will be at Hall No. 12, Stall No. D-02, showcases their newest plant-based creations that offer the

familiar taste of non-veg while promoting a cruelty-free, healthy lifestyle.

As India's awareness of plant-based foods grows, [Vezlay Foods](#) stands at the forefront, offering high-quality vegan products that bring the flavor and texture of traditional non-veg dishes to consumers without the need for animal products. Vezlay's innovative vegan meat options, including its signature soya-based products, provide a satisfying alternative for anyone looking to enjoy the benefits of plant-based nutrition without compromising on taste.

"Our goal at Vezlay Foods is to make sustainable, healthy, and cruelty-free foods accessible to all. We are excited to invite visitors to explore our plant-based creations, which we believe are the best mimic of non-veg options available," said Suraj Chaudhary, Digital Marketing Head at Vezlay Foods. "As more people look to reduce their reliance on animal products, our products provide a delicious and guilt-free way to enjoy familiar flavors."

Attendees visiting Vezlay's stall will have the opportunity to sample their newest products, learn about the benefits of plant-based protein, and discover how vegan diets can support both personal health and environmental sustainability. With India's burgeoning interest in vegan foods, Vezlay's presence at IITF underscores their commitment to leading the country's plant-based movement and supporting healthier, ethical food choices.
