

Amishi Bajaj, MD: Transforming Cancer Care With Precision and Compassion

Expert Radiation Oncologist Utilizing Cutting-Edge Technology to Enhance Patient Care

New York City, New York Dec 12, 2024 ([Issuewire.com](https://www.issuewire.com)) - Warrenville, Illinois – Amishi Bajaj, MD, a board-certified radiation oncologist, is making significant strides in the field of cancer treatment at Northwestern Medicine Cancer Center Warrenville. Specializing in breast cancer and utilizing state-of-the-art technology, Dr. Bajaj is committed to accurately targeting tumors while minimizing exposure to healthy tissue. Her expertise in advanced radiation techniques ensures that patients receive the most

precise and effective treatment available.

Dr. Bajaj treats patients across multiple locations, including the Northwestern Medicine Proton Center, Northwestern Medicine Cancer Center Delnor, and Northwestern Medicine Kishwaukee Hospital Cancer Center. Her comprehensive approach encompasses a wide array of practice areas, including brachytherapy, gastrointestinal cancer, genitourinary cancers, gynecologic cancers, proton therapy, and stereotactic body radiotherapy.

As an integral member of Northwestern Medical Group, Dr. Bajaj is affiliated with several hospitals, including Central DuPage Hospital, Delnor Hospital, Huntley Hospital, Kishwaukee Hospital, McHenry Hospital, Proton Center, and Woodstock Hospital. She is dedicated to providing high-quality, patient-centered care through a multidisciplinary approach, integrating the latest research and clinical practices.

In addition to her clinical work, Dr. Bajaj serves as a Clinical Assistant Professor in the Department of Radiation Oncology at Northwestern University Feinberg School of Medicine. In this role, she is dedicated to training the next generation of radiation oncologists and advancing cancer treatment methodologies through innovative research initiatives.

Dr. Bajaj earned her Medical Degree from Rosalind Franklin University of Medicine and Science Chicago Medical School in 2018. Following her education, she completed an internship at AMITA Health/St. Francis Hospital in 2019 and a residency at McGaw Medical Center of Northwestern University in 2023, where she honed her skills in radiation oncology.

As the Immediate Past-Chair of the ARRO Executive Committee of ASTRO, Dr. Bajaj is passionate about enhancing patient safety, improving treatment quality, and fostering mentorship and collaboration within the medical community. Her commitment to research initiatives aims to meaningfully improve clinical practices and patient outcomes.
