

Anupam Chahal, MD: Pioneering Rheumatology Care in California

Transforming Lives with Compassionate, Expert Treatment for Arthritis and Autoimmune Diseases

New York City, New York Dec 13, 2024 ([Issuewire.com](https://www.issuewire.com)) - Anupam Chahal, MD, a board-certified and fellowship-trained rheumatologist, is transforming the landscape of arthritis and autoimmune disease treatment in California. As the Founder and CEO of the Arthritis and Rheumatism Center, Inc., with locations in Carmichael, Manteca, and Tracy, Dr. Chahal is dedicated to providing comprehensive

care to patients suffering from these chronic conditions. Affiliated locally with Doctors Hospital of Manteca, she brings a wealth of expertise and compassion to her practice.

Dr. Chahal specializes in the diagnosis and treatment of various forms of arthritis and autoimmune diseases, employing advanced techniques such as musculoskeletal ultrasound. With thousands of joint injections to her credit, she delivers targeted and effective treatments tailored to each patient's unique needs. Her commitment to patient care is rooted in her extensive training and experience, which includes the establishment of a successful Rheumatology Division at Doctors Medical Center - Modesto prior to founding her own practice.

Educated in India, Dr. Chahal earned her Medical Degree from Agartala Government Medical College in 2000. She then embarked on her journey in the United States, completing her residency in internal medicine at Greater Baltimore Medical Center from 2007 to 2010. She further honed her expertise during her fellowship in rheumatology at George Washington University from 2010 to 2012, working alongside world-renowned specialists and managing complex cases in specialty clinics.

Dr. Chahal is board-certified in rheumatology by both the American Board of Internal Medicine and the National Board of Physicians and Surgeons. Her active membership in the American College of Rheumatology further reflects her dedication to staying at the forefront of her field, ensuring her patients receive the highest standard of care.

In addition to her professional achievements, Dr. Chahal is multilingual, speaking English, Hindi, and Punjabi, which allows her to connect with a diverse patient population. Her personal touch and understanding of cultural nuances enhance the patient experience, making her a trusted provider in the community.
