

Ashleigh Noel, Psychiatric Nurse Practitioner

Championing Mental Health in New Middletown, Ohio by delivering comprehensive psychiatric care for children and adults.

New York City, New York Dec 24, 2024 ([Issuewire.com](https://www.issuewire.com)) - Ashleigh Noel, PMHNP, FNP, a dedicated Psychiatric Mental Health Nurse Practitioner is making significant strides in the mental health landscape of New Middletown, Ohio, through her organization, Healthy Minds For You, LPA. She is committed to enhancing the mental and emotional well-being of children and adults through comprehensive psychiatric evaluations and medication management to help clients navigate a range of mental health disorders.

At Healthy Minds For You, LPA treatment is available for individuals ages 5 years and older reflecting Ashleigh's commitment to early intervention and holistic care. The organization specializes in the treatment of various mental health disorders including anxiety disorders, depression, obsessive-compulsive disorder, anger, schizophrenia, behavioral and emotional disorders in children, bipolar disorder, and insomnia, among others. Through personalized care plans, Ashleigh ensures that each client receives the tailored support they need to thrive.

Ashleigh's journey in healthcare began in the United States Army, where she served honorably as a medic. Following her military service, she pursued a nursing career, starting with an Associate of Science in Nursing degree from Excelsior College and subsequently obtaining a Bachelor of Science in Nursing degree from the University of Phoenix. With six years of experience in psychiatric and acute care units, Ashleigh further advanced her education, earning both a Master of Science in Advanced Practice Nursing as a Family Nurse Practitioner from Saint Joseph's College and a Master of Science in Advanced Practice Nursing as a Psychiatric Mental Health Nurse Practitioner from Washburn University. Her commitment to excellence is evident, as she graduated near the top of her class, receiving academic distinction in both her undergraduate and graduate studies.

Ashleigh currently holds dual certifications in psychiatric and family practice specialties however practices exclusively in psychiatry. She brings nearly a decade of experience in treating diverse populations including children, teens, adults, and geriatrics. Furthermore, she is on track to graduate with her Doctorate of Nursing Practice from Case Western Reserve University in 2025, further solidifying her expertise in the field.
