

Beyond Rhythm's Donation Campaign Supports Creatives & Offers Hope

Chicago, Illinois Dec 6, 2024 ([Issuewire.com](https://www.Issuewire.com)) - Beyond Rhythm, the platform by creatives – for creatives, is excited to promote its Donation Campaign and announce 50% off when you join between now and December 31, 2024. Beyond Rhythm empowers creatives to connect, grow, and thrive, and this initiative offers an opportunity for supporters and patrons of the arts to give back to the creative community during the holiday season.

The campaign, hosted through [GoFundMe](https://www.GoFundMe), is dedicated to supporting emerging and independent artists by funding workshops, providing resources and tools, and enabling opportunities for creative expression and collaboration. Beyond Rhythm's mission is to uplift creatives across industries and help fuel the journey to achieve their dreams, and this campaign is a vital step in continuing that commitment.

"With the season of giving upon us, your generosity will help provide transformative opportunities for creatives," said Sharon Jarett, Co-Founder of Beyond Rhythm. "Join us in paying it forward at [GoFundMe](#) to ensure creatives across the nation have access to platforms, tools, and networks to grow, innovate, and achieve independence."
