

Bonny Elangbam a.k.a Bonny Bam Sets World Record for Fastest Ride from Kashmir to Kanyakumari on Gearless 110cc Bike

Breaking Records with Every Mile: Unmatched Speed and Endurance on a Gearless 110cc Bike!

New Delhi, Delhi Jan 9, 2025 ([Issuewire.com](https://www.issuewire.com)) - Bonny Elangbam also known as Bonny Bam, a passionate rider from Imphal, Manipur, now living in New Delhi, has achieved an extraordinary milestone by setting a world record. He completed the fastest journey from **Kashmir to Kanyakumari** on a gearless 110cc bike, covering an impressive **3,761 kilometers** in just **4 days, 11 hours, and 36 minutes**.

This remarkable achievement has been officially recognized by the [International Book of Records](#), cementing Bonny's name among elite record-holders.

Bonny's incredible journey was powered by the dependable **TVS Jupiter**, which demonstrated outstanding durability and performance throughout the challenging ride. His route included major cities like:

- **Kashmir**

- Jammu
- Chandigarh
- New Delhi
- Agra
- Nagpur
- Hyderabad
- Madurai
- And finally, **Kanyakumari**

The ride, sponsored by **TVS Jupiter**, showcased not only Bonny's determination and resilience but also the bike's capability to endure long and rigorous travel conditions.

On achieving this global recognition, Bonny shared, *"This record is the result of a lifelong dream and endless hard work. The journey was filled with challenges, but with the support of TVS Jupiter, I was able to conquer them. I am deeply honored that the International Book of Records has recognized this achievement."*

Bonny's success is a source of inspiration for riders and adventurers across the world, proving that with courage and commitment, extraordinary goals can be reached.
