

Claire Hertel, Recognized by BestAgents.us as a 2024 Top Agent

Claire Hertel: Rising Star in Commercial Real Estate at Hoff & Leigh

New York City, New York Dec 3, 2024 ([Issuewire.com](https://www.issuewire.com)) - Hoff & Leigh proudly announces the continued success and remarkable achievements of Claire Hertel, a leading broker associate at the firm. With over 30 years of industry expertise, Hoff & Leigh is dedicated to providing top-tier commercial real estate services, and Claire exemplifies this commitment through her exceptional performance and dedication to client success.

A Colorado native, Claire grew up in Littleton, immersed in a family deeply involved in the Denver commercial real estate community. This early exposure ignited her passion for the industry, leading her to pursue further education in business and real estate. Claire holds both a Bachelor of Science in Business Administration with a focus on Marketing and a Master of Science in Real Estate and the Built Environment from the University of Denver, where she achieved an impressive 3.92 GPA.

With five years immersed in the business school at DU, Claire gained a deep understanding of business dynamics, cultivating strong professional relationships, and analyzing market trends. During her Master's program, she honed her expertise in income-producing properties, real estate investments, property management, and the core principles and practices of the real estate industry, equipping her with a well-rounded foundation to excel in the field.

Claire began her career in commercial real estate in 2019 and quickly made her mark. In her first full year, she was recognized as 2020's Top Leasing Broker at Panorama Commercial Group and followed that by being awarded 2021's Top Leasing Broker of the Year again as well as earning Broker of the Year in 2021. Her accolades continued in 2023 when she was named Top Sales Broker at Panorama Commercial Group. These achievements reflect her dedication to excellence and her ability to navigate complex transactions with skill and precision.

As a member of esteemed organizations such as NAIOP, ICSC, and DMCAR, Claire is not only committed to her professional development but also to fostering relationships within the industry. In 2024, she was accepted into the NAIOP Developing Leaders Mentorship Program, a testament to her leadership potential and commitment to driving innovation in commercial real estate.

Claire's extensive background in sales, marketing, and retail complements her real estate expertise, providing her clients with a well-rounded perspective and strategic insights. She is dedicated to understanding her client's unique needs and is passionate about developing personalized solutions that help them achieve their goals. Claire believes that successful commercial real estate transactions are built on strong relationships and effective communication, which she prioritizes in her client interactions.

Beyond her professional accomplishments, Claire is also an accomplished equestrian, actively training and competing on the Hunter/Jumper show circuit across the country. When she is not focused on her career or riding, she enjoys gardening, golfing, and spending quality time with friends, family, and pets.

Claire's commitment to her community is evident through her active involvement in philanthropic efforts. She serves on the junior board of the Ron & Carol Moore Family Foundation, which supports various non-profit organizations in the Denver area. Additionally, Claire has been an engaged member of the Delta Delta Delta sorority, where she has held leadership roles, including spearheading recruitment efforts for three years.

As Claire Hertel continues to excel in her career at Hoff & Leigh, her dedication to her clients, community, and personal passions sets her apart as a rising star in the commercial real estate industry.
