

Compassionate Care in Action: Meet Mallory McLean, RN, BSN, CEN – A Dedicated Nurse Making a Difference in Ogden, Utah

Building a Legacy of Patient Care and Advancing Professional Expertise

New York City, New York Dec 30, 2024 ([Issuewire.com](https://www.issuewire.com)) - Ogden, Utah – Mallory McLean, RN, BSN, CEN, is a shining example of dedication and compassion in the nursing profession. Currently serving patients at CommonSpirit Health, Mallory uses her extensive training and experience to provide

exceptional care, making a significant impact on the lives of those she serves.

Mallory's journey in healthcare began at Weber High in 2002, where her passion for helping others took root. She earned a Degree in Clinical Laboratory Sciences from Weber State University in 2004. Driven by her desire to provide direct patient care, she pursued an Associate Degree in Nursing from Stevens-Henager College, graduating in 2016. Mallory further advanced her education by completing a Bachelor of Science in Critical Care Nursing from Chamberlain University in 2022. Currently, she is pursuing a Nurse Practitioner Degree at Gonzaga University, with plans to complete her studies in 2025.

As an active member of several prestigious organizations, including the American Nurses Association (ANA), the Emergency Nurses Association (ENA), the American Association of Nurse Anesthesiology (AANA), and the American Association of Critical-Care Nurses (AACN), Mallory is deeply committed to her professional development. She was honored with the Daisy Award, a recognition of her outstanding nursing care, which she attributes to her relentless pursuit of knowledge and excellence in her field.

Mallory is not only a skilled nurse but also a passionate advocate for her patients. Her expertise in critical care nursing, combined with her dedication to continuous improvement, positions her as a leader in the healthcare community. She believes in the importance of resilience, hard work, and a positive attitude as she navigates the complexities of modern healthcare.

Outside of her professional life, Mallory enjoys an active lifestyle, engaging in snowboarding, hiking, rock climbing, mountain biking, and weight lifting. These activities not only keep her physically fit but also foster a sense of balance and well-being that she brings to her nursing practice.

Mallory McLean exemplifies what it means to be a dedicated healthcare professional. Her commitment to her patients and her ongoing pursuit of knowledge ensure that she will continue to make a profound difference in the lives of those she serves.
