The incredibly talented ALBA GASSA along with STYLO G and CLANDES have released a brand new track called 'BEAT IT UP' which will make the people dance to the beat.

London, England Dec 3, 2024 ([IssueWire.com](https://www.issuewire.com)) - Inspired by her family and Britney Spears, this extremely talented singer and gorgeous dancer **ALBA GASSA** is here to make the whole world dance to the uplifting beats of her brand new track '**BEAT IT UP**' which is created in collaboration with the magnificent artists STYLO G and CLANDES. The new track has already gained a lot of attraction on YouTube where they have released the official music video of the track. Fans of the artist are going crazy over the amazing culmination of talent and passion this new track is portraying.

Along with the incredibly talented **ALBA GASSA**, two other equally talented artists known as STYLO G and CLANDES have contributed more than enough to make '[BEAT IT UP](#)' a fan favorite. The magical vocals of the sensual singer along with the immersive and tight verses, give the sense of an adrenaline rush, of the collaborators have resulted in the making of a true masterpiece. The unconventional twist on the Latin trap, melodiously placed alongside the golden vibe of reggeaton displayed in the new track has done more than enough to create a buzz among the music enthusiasts and music moguls of the whole world. This creativity is one of the main reasons why the singer has become such a big name in the music industry. The beating bass along with the progressive tempo and the background soundscape has contributed immensely into making this song one of the best of its kind.

While the whole world is dancing to the infectious and fast-paced beats of the brand new track, apart from the new track, the talented exotic Latin music artist has also released some major tracks like 'Caracas Loca', 'Muevelo (Lento)', 'MAFIO\$aAA', and 'LENTO' that have gained her worldwide fame and which are streaming on one of the most popular music streaming platform, [Spotify](#) for all of her fans to listen to and Her fans can also check out the artist's social media profiles on [Instagram](#), and [TikTok](#) to get new updates about the upcoming projects which include new songs with big artists and new tracks of the artist.
