

DJ and Music Producer Inluciano Releases Much-Anticipated Track

Rising DJ and music producer, Inluciano has announced his high-energy single titled “PRT PRT.” The new track is available on all major streaming platforms.

Breda, Noord-Brabant Dec 30, 2024 ([Issuewire.com](https://www.issuewire.com)) - DJ and music producer, Luc Pijlman, better known as Inluciano, has released a highly anticipated track, titled “[PRT PRT](#).” This electrifying 2.5-minute track is now available to enjoy on all major streaming platforms, including Spotify, Apple Music, Amazon Music, and more. Inluciano’s new music is rapidly gaining popularity across electronic dance music fans.

Inluciano, was born and raised in the Breda area and he was carving out his place in the music scene with his dynamic tracks and captivating live performances. Since embarking on his solo career, he has been celebrated for creating music that resonates deeply with audiences, both physically and emotionally. His debut single, “*Juntos de la Mano*,” marked a pivotal moment in his career, transitioning from being part of the DJ duo Roowy & Inluciano to establishing himself as a solo artist.

“PRT PRT” is the latest single to Inluciano’s talent for producing dance-worthy beats which delivers an intense burst of energy. Its pulsating rhythm melodies are crafted to electrify dance floors that captivate listeners.

Inluciano said about his new track release, “*This track captures the moment when the music takes over, and the crowd lets go completely. It’s all about raw energy and living in the rhythm.*” He added, “*I wanted to create something short and impactful that would leave people wanting more.*”

Inluciano’s music is renowned for its ability to captivate audiences. His performances at major events like Papi Chulo in Spain and festivals along Spain’s famed Costa Brava have earned him a reputation as a crowd-pleaser. Known for seamlessly blending genres and reading the energy of his audience, his sets are a masterclass in delivering unforgettable musical experiences.

With the release of “PRT PRT,” Inluciano continues to build momentum in his solo career. His unique sound blends elements of house, techno, and Latin-inspired beats, resulting in tracks that are as diverse as they are infectious. His debut single, “*Juntos de la Mano*,” laid the foundation for his signature style, and “PRT PRT” takes it to exciting new heights.

Inluciano remains committed to creating music that not only entertains but also connects deeply with his audience. Listeners can look forward to more releases from the artist in the coming months.
