

Dr. Jason Stacy: Tupelo's Leading Neurosurgeon

Celebrating Over 8 Years of Excellence at North Mississippi Health Services

New York City, New York Dec 26, 2024 ([Issuewire.com](https://www.issuewire.com)) - A distinguished neurosurgeon and Tupelo native, Dr. Stacy has become a cornerstone of neurosurgical care in the region since joining North Mississippi Health Services in 2015.

With a focus on complex and minimally invasive spine surgery, cerebrovascular surgery, stroke management, brain tumors, neurotrauma, and spine trauma, he utilizes the latest technological

advancements, including robotic and advanced navigation techniques. His dedication to employing cutting-edge methods ensures that his patients receive the most effective and least invasive treatments available.

In regard to his educational background, he earned his medical degree from George Washington University School of Medicine in 2009. He then went on to complete a rigorous neurosurgery residency at the University of Mississippi Medical Center, culminating in 2014 when he served as chief resident. His advanced training continued with a fellowship in endovascular neurosurgery, where he honed his skills in complex surgeries that require both precision and expertise. His commitment to patient care and innovative treatment options has made a significant impact on the lives of many individuals suffering from neurological conditions.

Recognized as a Fellow of both the American Association of Neurological Surgeons and the American College of Surgeons, Dr. Stacy is an active member of several prestigious organizations, including the Congress of Neurological Surgeons, the Council of State Neurosurgical Societies, the Mississippi Neurosurgical Society, the Mississippi State Medical Association, and the American Medical Association.

As Dr. Stacy continues to serve the Tupelo community, North Mississippi Health Services remains committed to supporting his efforts in delivering high-quality neurosurgical care.
