Tailored Driving Courses

- **Essential Driver Training (EDT):**

The EDT program is a structured course of 12 lessons that equips learners with essential driving skills. Driveline ensures each lesson is personalised to help students progress at their own pace while mastering fundamental road safety techniques.

- **Pre-Test Lessons:**

Driveline offers focused pre-test **driving lessons in Dublin** for those preparing to take the driving test. These sessions simulate real test conditions. Thus, helping learners identify and overcome challenges and boosting their confidence for test day.

- **Refresher Courses:**

Ideal for individuals who want to improve their driving skills or regain confidence on the road, refresher courses provide targeted training for experienced drivers who may need a little extra practice.

- **Intensive Driving Courses:**

For learners aiming to achieve their license quickly, intensive courses condense training into a shorter time frame. These sessions are ideal for individuals with tight schedules or those eager to meet deadlines.

- **Automatic Car Lessons:**

Recognising the growing popularity of automatic vehicles, the institute offers dedicated [driving lessons in Dublin](#) for learners opting to drive automatic cars. These sessions focus on the specific handling and operational techniques required for automatic driving.

- **Reduced EDT Program:**

For foreign license holders or those with previous driving experience, the reduced EDT program allows learners to complete fewer lessons. While meeting legal requirements to secure an Irish driver's license.
