Accord University Joins Forces with E-Somali Sports Federation to Boost E-Sports

Muqdisho, Banadir Jan 9, 2025 ([Issuewire.com](https://www.Issuewire.com)) - The [E-Somali Sports Federation](#), a non-profit organization, has partnered with [Accord University](#) to unveil the Accord E-Sports Club, marking a major step in the development of Somalia's E-Sports scene. The official opening of the club will take place in January 2025, offering a foundation for a dynamic and competitive E-Sports community within the country.

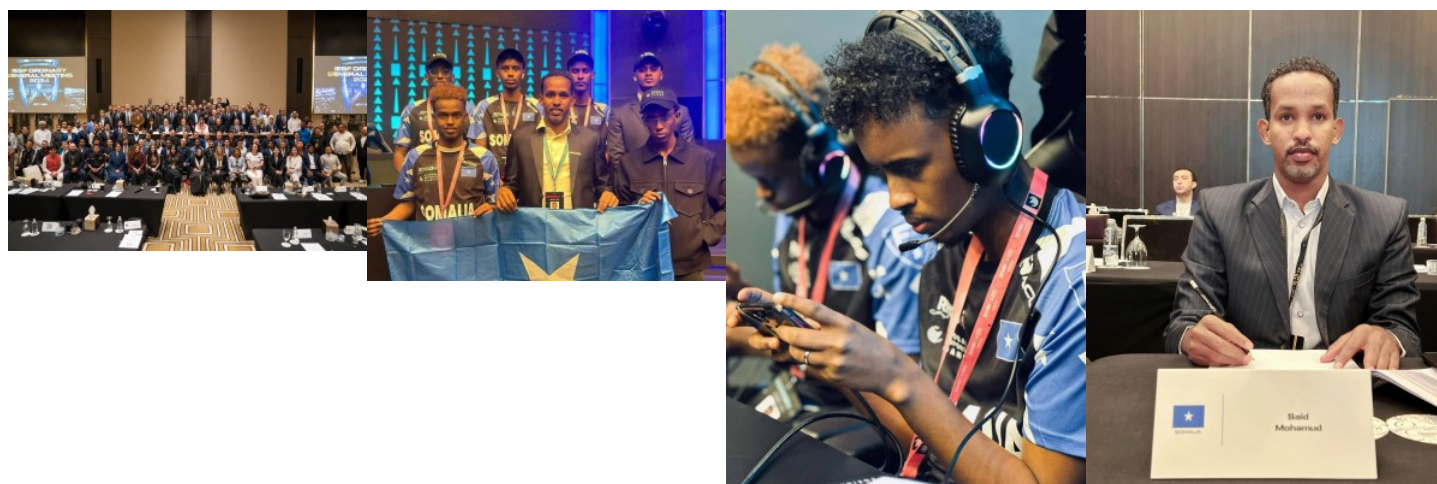

Said Abdullahi Mohamud, President of the E-Somali Sports Federation, expressed his excitement about the collaboration, saying, "This partnership with [Accord University](#) is a clear demonstration of our commitment to building a strong E-Sports ecosystem in Somalia. We will provide all the necessary resources to support the Accord E-Sports Club, including Federation registration, specialized training, and access to essential equipment."

Secretary-General Abdilahi Abdirashid Mohamed highlighted the numerous benefits of E-Sports, describing it as both a rewarding hobby and a potential career. "E-Sports offers young people the chance to develop crucial skills like teamwork, strategic thinking, and problem-solving," he remarked. "We look forward to offering opportunities for aspiring E-Sports athletes to compete on both national and international stages, proudly representing their university and country."

Prof. Abdulkadir B. Mohamed, Vice-Chancellor of [Accord University](#), welcomed the initiative, emphasizing the university's dedication to holistic student development. "We believe that integrating E-Sports alongside traditional sports and academics enriches our students' experiences," he said. "By including E-Sports and Chess in our extracurricular offerings, we aim to provide a well-rounded, engaging environment for our entire community."

The event was attended by distinguished guests, including Salma Abdi Hassan Omar from the Accord Alumni Association and Yasir Ali Abdi from the Accord Students' Union. Both representatives expressed their gratitude to the E-Somali Sports Federation for its continued support of students and youth initiatives.

The [E-Somali Sports Federation](#), a non-profit organization, is a leading organization dedicated to the professionalization of electronic sports in Somalia. With a focus on grassroots development and international representation, the Federation strives to create a thriving E-Sports ecosystem that empowers young people and promotes the nation on the global stage.
