

Eugenia Raichlin, MD, FACC: A Leader in Advanced Heart Failure and Transplant Cardiology

Over 30 Years of Expertise Driving Excellence in Cardiac Care Across Wisconsin

New York City, New York Dec 24, 2024 ([Issuewire.com](https://www.issuewire.com)) - Milwaukee, Wisconsin – The Heart and Vascular Center at Froedtert Hospital is proud to announce that Eugenia Raichlin, MD, FACC, a board-certified heart failure and transplant cardiologist, continues to make significant contributions to the field of cardiology.

As the Medical Director of the Comprehensive Heart Failure and Transplant Program at Froedtert Hospital, Dr. Raichlin plays a pivotal role in advancing patient care. Additionally, she serves as a consultant at the Advanced Heart Failure and Transplant Outreach Clinic in Fond du Lac. Her expertise also extends to her affiliations with Froedtert Menomonee Falls Hospital and Froedtert West Bend Hospital, where her clinical leadership continues to impact the lives of patients across Wisconsin and beyond.

With over 30 years of diverse clinical experience, Dr. Raichlin specializes in managing complex cardiac conditions, including cardiac amyloidosis and advanced stages of heart failure. She employs state-of-the-art medical therapies, surgical interventions, and device treatments to optimize patient outcomes. Additionally, her proficiency extends to post-heart transplant care and the management of patients on mechanical circulatory support.

Dr. Raichlin holds an esteemed academic position as a Professor in the Division of Cardiovascular Medicine, Department of Medicine at the Medical College of Wisconsin, where she has been shaping the next generation of cardiologists since 2020. Her commitment to education underscores her dedication to advancing the field and improving patient care.

Dr. Raichlin completed her Doctor of Medicine Degree at Belarussian State Medical University in Minsk, USSR, in 1983. She then pursued her residency in internal medicine at Sheba Medical Center in Ramat Gan, Israel, from 1994 to 2000, followed by a fellowship in cardiology at the same institution from 1997 to 2000. Dr. Raichlin continued her advanced training at the Mayo Clinic in Rochester, Minnesota, completing a fellowship in heart failure and heart transplantation from 2005 to 2007, and a fellowship in coronary physiology and imaging from 2007 to 2008. Her extensive training and board certifications in Internal Medicine, Cardiovascular Disease, Advanced Heart Failure and Transplant Cardiology, and Adult Comprehensive Echocardiography reflect her deep commitment to the highest standards of medical practice.

Dr. Raichlin is a Fellow of the American College of Cardiology and an active member of several professional organizations, including the American Medical Association, the European Cardiology Society, the International Society of Heart and Lung Transplantation, the Israel Heart Society, and the Israel Medical Association. Her research, which encompasses heart transplant vasculopathy, multi-organ transplantation, and immunosuppression, has resulted in over 50 publications, further establishing her as a leader in the field.

Fluent in English, Hebrew, and Russian, Dr. Raichlin is dedicated to providing compassionate care to a diverse patient population. Her commitment to excellence and innovation in heart failure and transplant cardiology continues to inspire both her colleagues and patients alike.
