Trained in the Latest Cutting-Edge Techniques and Dedicated to Providing Compassionate, Personalized Care

**New York City, New York Dec 5, 2024 ([Issuewire.com](https://www.issuewire.com))** - Light Dental Studios Implants and Periodontics in Olympia, Washington proudly announces the continued dedication of Dr. Smriti Bhatia, BDS, FP, a highly skilled periodontist and implant surgeon. With extensive training and experience, Dr. Bhatia is committed to providing exceptional care for patients dealing with periodontal disease and

implant-related issues, ensuring that they receive the highest quality of dental care.

Dr. Bhatia specializes in diagnosing, treating, and managing conditions such as periodontitis and peri-implantitis. She is proficient in various advanced techniques, including multiple soft tissue and bone regeneration procedures, as well as offering services ranging from single immediate implant placements to full-mouth complex rehabilitation cases. Her clinical excellence and dedication to patient care make her a valuable asset to the Light Dental Studios team.

A graduate of the prestigious Sardar Patel Post Graduate Institute of Medical and Dental Sciences in India, Dr. Bhatia's passion for community service began during her dental schooling, where she organized dental camps in underserved areas to provide oral health instruction and basic treatments. This commitment to serving the community has continued throughout her career.

After relocating to the United States, Dr. Bhatia enhanced her expertise through a surgical implant externship at UCLA School of Dentistry, followed by a three-year advanced specialty residency in periodontics and implant dentistry at Loma Linda University in Southern California. Under the guidance of renowned professors and clinicians, she honed her skills in cutting-edge periodontics techniques and participated in numerous clinical research competitions, further solidifying her knowledge and experience.

Dr. Bhatia is an active member of several professional organizations, including the Washington State Dental Association, the American Academy of Periodontology, the American Dental Association, the American Student Dental Association, the Academy of Osseointegration, and the Western Society of Periodontists. By staying engaged with the latest advances in her field, she ensures that her patients benefit from the most effective treatment options available.

Known for her friendly and approachable demeanor, Dr. Bhatia values open communication with her patients, making it a priority to ensure they feel confident in their treatment plans. Post-procedure, she emphasizes the importance of follow-up care, including patient education, pain control, and ongoing maintenance, to achieve long-term success and satisfaction.

Dr. Bhatia credits her achievements to continuous improvement, the unwavering support of her family, and a strong connection to her community. She believes that success is a collective effort and that it "takes a village" to thrive. Her dedication to enhancing the well-being of others significantly contributes to her professional and personal accomplishments.

Outside of her dental practice, Dr. Bhatia is an outdoor enthusiast who enjoys hiking and rock climbing. She is also a talented dancer, proficient in various dance styles, including Indian classical, Bollywood, and hip-hop. An adventurous spirit, Dr. Bhatia loves to travel and discover new cultures and experiences.
