

Fatoumata Doelling, RN, BSN: Nurse Entrepreneur and Wellness Advocate

Delivering High-Quality IV Hydration Therapy and Botox Services in Lynnwood Washington

New York City, New York Dec 23, 2024 ([Issuewire.com](https://www.issuewire.com)) - Fatoumata Doelling, RN, BSN, a dedicated Registered Nurse Entrepreneur, is the proud owner of Hello Nurse, LLC, in Lynwood, Washington. As a pioneering provider of IV hydration therapy and Botox services, Hello Nurse, LLC is committed to enhancing the health and wellness of individuals in the community.

With an emphasis on personalized care, Fatoumata offers vitamin nutrient infusions and injections tailored to individuals experiencing vitamin deficiencies or seeking to maintain optimal health. Her

services can help clients recover faster from common ailments such as colds and flu, dehydration, migraines, menstrual cramps, and hangovers while supporting weight loss efforts. Fatoumata's passion lies in providing exceptional care to her clients and uplifting her community's overall well-being.

Bringing a wealth of experience to her practice, Fatoumata earned her Nursing diploma in Tunisia and her Bachelor of Science in Nursing Degree from Bellevue College. Her extensive background includes serving as a Medical Officer RN with the Peace Corps in Senegal and volunteering as an RN with the International Red Cross in Conakry, Guinea, in West Africa. Additionally, she has worked as a Registered Nurse 2 at the Monroe Correctional Complex, specializing in the Inpatient Psychiatric Nurse Unit and King County Public Health as a COVID mobile testing and vaccination nurse and TB Case Manager.

Fatoumata's diverse experiences have equipped her with a comprehensive skill set, including patient assessments, medication administration, and follow-up care. She is adept in the nursing process and is skilled in wound care, immunizations, IV management, and vital signs monitoring, ensuring that her clients receive the highest standard of care.

Looking to the future, Fatoumata plans to further her education by pursuing a Master of Science in Nursing Degree. She embodies resilience, viewing challenges as opportunities for growth. Through ups and downs, she has remained steadfast, believing that every problem has a solution if one is willing to explore different paths. For Fatoumata, failure is not an endpoint but a stepping stone, shaping her journey and preparing her for new opportunities.
