

Kara Leigh Roncin, MD: A Skilled Anatomic Pathologist with CHI Health in Nebraska

Bringing Expertise and Dedication to CHI Health Clinic Pathology Practices

New York City, New York Dec 17, 2024 ([IssueWire.com](https://www.IssueWire.com)) - Dr. Kara Leigh Roncin, MD, a board-certified Anatomic and Clinical Pathologist, is an integral member of the esteemed team at CHI Health in Nebraska. She practices at multiple locations, including CHI Health Clinic Pathology CUMC Bergan Mercy, CHI Health Clinic Pathology Lakeside, CHI Health Clinic Pathology Immanuel, CHI Health Clinic Pathology Mercy Council Bluffs, and CHI Health Clinic Pathology Midlands. Dr. Roncin has recently achieved board certification in combined Anatomic and Clinical Pathology. This significant accomplishment underscores her expertise and commitment to excellence in the field, further enhancing her qualifications as a leading pathologist.

Dr. Roncin's journey to becoming a prominent pathologist began in rural Saskatchewan, Canada, where she nurtured her passion for the intricacies of human anatomy and biology. She furthered her education by earning a Bachelor of Science Degree with honors in Anatomy and Cell Biology from the University of Saskatchewan. Her thirst for knowledge then led her to pursue her Medical Degree and another Bachelor of Science Degree in Health Science at the Medical University of the Americas on the island of Nevis.

With a strong academic foundation and a commitment to excellence, Dr. Roncin embarked on her clinical rotations across various hospitals in the United States. It was during these experiences that she discovered her profound interest in pathology. Driven by a desire to tackle the complex challenges within the field, she completed a comprehensive AP/CP pathology residency and a specialized surgical pathology fellowship at University Hospitals. Subsequently, she pursued a clinical fellowship at the Saskatchewan Health Authority, specifically at Saskatoon City Hospital.

In addition to her clinical duties at CHI Health, Dr. Roncin also serves as a Clinical Instructor in the Department of Pathology at the prestigious Creighton University School of Medicine, a position she has held since November 2023. Her dual role allows her to impart her expertise to the next generation of medical professionals while staying at the forefront of advancements in the field of pathology.

Dr. Roncin's dedication to precision, patient care, and continuous learning make her a valuable asset to the CHI Health team. Her colleagues and patients alike benefit from her unwavering commitment to providing accurate diagnoses and compassionate care.
