Kimberly Jones - Educator, Advocate, and Realtor: Transforming the Dream of Homeownership into Reality with Compassion and Expertise

New York City, New York Dec 20, 2024 ([Issuewire.com](https://www.Issuewire.com)) - Kimberly Jones, a dedicated realtor with The GPS Group of Epique Realty, is making waves in the Texas real estate market with her 18 years of

experience and a strong commitment to her clients. Armed with impressive credentials including Certified International Property Specialist (CIPS), Accredited Buyer's Representative (ABR), and Certified Real Estate Negotiator (CREN), Kimberly has quickly established herself as a trusted professional since moving from Maryland to Texas in 2020.

With a passion for helping first-time homebuyers navigate the complexities of purchasing a home, Kimberly emphasizes the importance of education in her practice. She makes it her mission to stay up-to-date on market trends and financing options, ensuring that her clients are empowered to make informed decisions throughout the buying process.

With compassion and a big heart, Kimberly's approach to real estate goes beyond mere transactions; it is about helping individuals achieve the American Dream of homeownership. She is dedicated to educating clients on the long-term benefits of investing in their own homes, rather than paying rent. "Homeownership is not just a financial investment; it's about building a future and creating a sense of belonging," she adds.

Her extensive background includes speaking at international real estate conferences in Russia and France, which has enriched her understanding of the global market. This experience allows her to provide clients with unique insights and a broader perspective. Whether guiding them through financing complexities or offering practical advice, Kimberly strives to make the home-buying process as smooth and rewarding as possible.

Residing in the Bible Belt, Kimberly appreciates the warmth and generosity of her community, which fosters a strong sense of connection throughout the real estate process. Outside of her professional life, she cherishes time spent with her family—five children, twelve grandchildren, and one great-grandchild, while embracing her role as a devoted wife of over four decades. Kimberly is also actively involved in her church community and serves as a Court Appointed Special Advocate (CASA) in Johnson County, advocating for the safety and best interests of children in foster care.
