

Mila B. French, RNC-LRN, BSN, MS: Shaping Neonatal Care Through Dedication and Expertise

Celebrating Over Three Decades of Nursing Leadership and Advocacy

New York City, New York Dec 23, 2024 ([Issuewire.com](https://www.Issuewire.com)) - Mila B. French, a Clinical Nurse in the Neonatal Intensive Care Unit (NICU) at Tripler Army Medical Center, has garnered recognition for her unwavering commitment to patient care, nursing leadership, and community advocacy. With a distinguished career as a retired US Air Force Officer, Mila has dedicated her life to fostering a patient-centered approach in clinical practice and education.

Mila earned her Bachelor of Science in Registered Nursing from West Texas State University in 1988, laying the foundation for her impressive career. She further pursued advanced studies, completing a Master of Science in Health and Physical Education/Fitness at Eastern New Mexico University in 2006. Her academic achievements are complemented by over thirty years of clinical and administrative experience in various healthcare environments.

Throughout her career, Mila has played a vital role in programs such as the United States Army's Neonatal Resuscitation Program (NRP) and the United States Air Force Healthcare System's Advanced Cardiac Life Support (ACLS). Her expertise also extends to Aeromedical Evacuation Flight Nursing and teaching Basic Life Support (BLS), where she has trained countless individuals to save lives in critical situations.

As a distinguished team leader and retired US Air Force Officer, Mila excels in high-pressure environments, employing evidence-based practices to enhance organizational effectiveness and improve patient outcomes. Her ability to remain calm and focused under pressure has made her an invaluable asset to her team and the families she serves.

In addition to her clinical responsibilities, Mila is a passionate advocate for marginalized populations, working tirelessly to uplift individuals from diverse cultures and disciplines. She believes in the importance of inclusivity in healthcare, ensuring that all voices are heard and respected in the pursuit of optimal patient care.

Mila credits her success to her faith in God and the unwavering support of her family, which has been a cornerstone in her journey. Her dedication to nursing and commitment to making a difference in the lives of her patients exemplify the values of compassion, integrity, and excellence in healthcare.
