

PeachStars Is Bringing a New Talk Show

The Larry Love Show Is Coming to Television

Atlanta, Georgia Dec 9, 2024 ([Issuewire.com](https://www.issuewire.com)) - PeachStars is a new television streaming platform that is proud to provide creators and celebrity personalities and influencers with a television home. PeachStars' first and only talk show at this time is The Larry Love Show.

The host, Larry Love, has been a fixture in Atlanta, Georgia on the redcarpet scene for many years. He has met with and interviewed many celebrities in his career. Larry Love can also be scene in the community helping others and has a non-profit that brings awareness to prostate cancer.

Viewers around the world will get a chance to see a show which is a combination of a new age Podcast with an old school talk show feel. In one of the episodes, Larry Love sits with R.L. Stafford, father of Lil Nas X, and he gives us a look at the international superstars' dad and how he deals with his own career, as well as his son in the media. This show is all about love and we need it now more than ever. However, the Larry Love Show will give everyone a little bit of knowledge, motivation, and wisdom about life. PeachStars will bring The Larry Love show to you on Roku, Apple, and Amazon FireTV.
