

Roy Bachar, MD: A Leader in Psychiatric Care in Morristown, New Jersey

Transforming Mental Health through Personalized Treatment and Compassionate Care

New York City, New York Dec 5, 2024 ([IssueWire.com](https://www.issuewire.com)) - Roy Bachar, MD, an experienced and board-certified psychiatrist, proudly announces his ongoing commitment to providing exceptional psychiatric care through his private practice in Morristown, New Jersey, and as Chief Executive Officer of Morristown TMS.

With licenses to practice in both New Jersey and New York, Dr. Bachar specializes in treating individuals and couples facing mood, anxiety, and interpersonal challenges. His extensive training and experience encompass a broad spectrum of psychiatric care, from cutting-edge psychopharmacological treatments to psychoanalytic and psychodynamic talk therapy. Dr. Bachar offers both telehealth and in-person consultations, ensuring that patients receive expertly tailored treatment in a safe and supportive environment. "There is never a better time than now to begin the process of connecting and working upon your health, wellness, and improving your mental wellbeing" he states.

A graduate of the Jacobs School of Medicine and Biomedical Sciences in 2006, Dr. Bachar completed his residency in psychiatry at the prestigious Mount Sinai Hospital from 2006 to 2010. He further honed his skills in psychoanalysis at the New York Psychoanalytic Society & Institute, the oldest psychoanalytic institute in the United States.

As a Diplomate of the American Board of Psychiatry and Neurology, Dr. Bachar remains actively engaged in his field, participating in the American Medical Association and the American Psychiatric Association to stay abreast of the latest advancements in psychiatric care.

In addition to his private practice, Dr. Bachar serves as an Assistant Professor of Psychiatry at Seton Hall School of Health and Medical Sciences and an Adjunct Assistant Professor of Psychiatry at the Icahn School of Medicine at Mount Sinai. He is also a Clinical Psychiatrist at The Debra Simon Center for Integrative Behavioral Health and Wellness.

Dr. Bachar's success is rooted in his strong educational foundation and his dedication to understanding his patients' unique experiences. By fostering genuine connections and investing time in their care, he provides personalized treatment that builds trust and leads to positive outcomes. "Every patient deserves the opportunity to feel free, healthy, and understood," he emphasizes.

As he continues to lead the way in mental health care, Dr. Bachar looks forward to helping more individuals achieve their mental health goals through high-quality, individualized treatment.
