

Sylwia Karpinski, MD, Named Top Doc 2024 for Excellence in Cardiothoracic Surgery

Board-Certified Cardiothoracic Surgeon Continues to Set New Standards in Patient Care and Surgical Innovation

New York City, New York Mar 26, 2025 ([Issuewire.com](https://www.issuewire.com)) - Dr. Sylwia Karpinski is a highly respected and award-winning cardiothoracic surgeon renowned for her expertise in performing complex surgical procedures on vital organs located within the chest. As a specialist in the field of cardiothoracic surgery,

Dr. Karpinski is trained to address a broad range of serious conditions affecting these organs, focusing on heart disease and its disorders.

Her most recent work encompasses several sub-specialties within cardiothoracic surgery, allowing her to provide comprehensive care for patients with complex cardiovascular conditions. This includes cardiac surgery (heart surgery), where Dr. Karpinski treats coronary artery disease, heart valve disorders, arrhythmias, and disturbances in the vasculature of the heart such as aneurysms and congenital heart defects. She is also well-versed in the delicate and challenging field of robotic and minimally invasive cardiovascular surgery as well as structural heart therapies such as transcatheter valve replacements.

Dr. Karpinski is known for her meticulous approach to patient care, combining the latest in surgical technology with a compassionate, patient-centered philosophy. She is committed to not only performing high-quality surgeries but also educating patients on preventive care, rehabilitation, and long-term management of cardiovascular health. Her dedication to advancing the field of cardiothoracic surgery is reflected in her ongoing participation in clinical trials and quality initiatives, and medical conferences, where she shares her insights with colleagues and contributes to the development of new surgical techniques and treatments.

Her exceptional skills, clinical outcomes, and commitment to her patients have earned her numerous awards and recognitions within the medical community. Dr. Karpinski is a sought-after specialist, frequently consulted for second opinions and complex cases, and is admired by both her peers and patients for her expertise, professionalism, and compassionate care.

As an advocate, Dr. Karpinski also works closely with multidisciplinary teams, including cardiologists and intensivists to provide comprehensive treatment plans tailored to the unique needs of each patient. Her holistic approach to surgery not only addresses the immediate condition but also promotes long-term well-being, helping patients regain their quality of life after surgery.

Dr. Karpinski's contributions to the field of cardiothoracic surgery continue to set new standards for excellence, making her one of the leading figures in her field.

Her academic credentials are equally impressive. Dr. Karpinski graduated with her Medical Degree from Ross University School of Medicine in 2002 and completed her internship and residency in general surgery at St. Agnes Healthcare. She further honed her skills through a fellowship in cardiothoracic surgery at Tufts Medical Center and holds a Master of Business Administration Degree in Healthcare Leadership and Management from The University of Texas at Dallas.

Board certified by the American Board of Thoracic Surgery, Dr. Karpinski actively participates in several professional organizations, including the Women in Thoracic Surgery, the Society of Thoracic Surgeons, the American College of Surgeons, and the American College of Cardiology. Her involvement in clinical trials, quality initiatives, and medical conferences reflects her commitment to advancing the field of cardiothoracic surgery.

With her recent recognition as a Top Doc 2024, Dr. Sylwia Karpinski continues to lead the way in setting new standards for excellence in cardiothoracic surgery, proving to be an invaluable asset to her patients and the healthcare community.
