

Tara Zacharzuk-Marciano, PH.D, RN, PLLC: Elevating Legal Nurse Consulting in Medical Malpractice

Empowering Attorneys with Expert Medical Record Analysis and Comprehensive Support

New York City, New York Dec 2, 2024 ([Issuewire.com](https://www.issuewire.com)) - Tara Zacharzuk-Marciano, PH.D, RN, PLLC, is proud to announce her distinguished services as a Legal Nurse Consultant, specializing in medical malpractice cases. With a Doctorate in Nursing Education and over two decades of clinical expertise, Dr. Zacharzuk-Marciano provides attorneys with professional, efficient, and cost-effective support in navigating the complexities of medical documentation. By partnering with her, legal

professionals can focus on their client's needs while she meticulously analyzes medical records for critical insights.

Dr. Zacharzuk-Marciano's expertise in medical record analysis is unparalleled. She possesses a keen ability to assess cases for merit, duty, breach of duty, damages, and causation. By developing comprehensive chronologies and timelines, she provides clear and concise professional analyses that are invaluable in legal proceedings. Her detailed summary reports encapsulate findings with the highest standards, integrating her professional experience, authoritative research, and clinical problem-solving skills.

In addition to her analytical prowess, Dr. Zacharzuk-Marciano conducts compassionate and insightful nursing interviews with both plaintiffs and defendants. These interviews yield valuable information pertinent to cases, ensuring that attorneys are well-equipped with the insights they need to advocate for their clients effectively.

Her commitment to empowering attorneys extends beyond mere analysis. By utilizing Tara's services, legal professionals can significantly reduce expert fees and regain peace of mind, knowing they have a knowledgeable partner dedicated to achieving favorable case outcomes. Dr. Zacharzuk-Marciano offers access to her dedicated team, and focuses on providing exceptional support throughout the legal process.

Dr. Zacharzuk-Marciano's educational journey is a testament to her dedication to nursing and education. She began her academic path at Red Hook High School, completing the Regents program in 1996. She went on to earn her Undergraduate Degree from SUNY Plattsburgh in 2004. Pursuing further specialization, she graduated from Pace University-Pleasantville/Briarcliff Campus with a focus on Nursing Education in 2009. Her relentless pursuit of knowledge culminated in her obtaining a PhD in Nursing Education from Capella University in 2017.

A member of several prestigious professional affiliations, including AALNC (American Association of Legal Nurse Consultants), ANA (American Nurses Association), ANA-NY (American Nurses Association-New York), PNA of Dutchess/Putnam Inc. (ANA-NY Organizational Affiliate), and AORN (Association of periOperative Registered Nurses), Dr. Zacharzuk-Marciano remains at the forefront of nursing education and practice.

Her extensive experience includes roles such as Lead Surgical Services Nurse Educator, where she developed and delivered mandatory education for various surgical units, and oversight of the ANCC Provider Unit for a seven-hospital health system. Dr. Zacharzuk-Marciano has also made significant contributions to academic settings as an Assistant Professor of Nursing, where she supervised nursing students and developed complex curriculum assessments.

As a Clinical Nursing Practice expert, she has worked extensively in pre-surgical testing, same-day surgery, and post-anesthesia recovery, showcasing her proficiency in advanced patient monitoring and critical care medication administration. Her commitment to patient education underscores her holistic approach to nursing, ensuring patients are well-informed about their health care.

Dr. Zacharzuk-Marciano has authored several influential articles in nursing, addressing critical topics such as nursing documentation best practices in the operating room, the integration of AI in intraoperative nursing, and the challenges of transitioning between acute care and community care settings. Her active participation in nursing education and legislative committees further highlights her dedication to research, policy development, and educational initiatives.

Recognized for her contributions, she has received the Excellence Award in Nursing Education and multiple Nurse Excellence Awards, attributing her success to the support of her colleagues and family.

Outside of her professional commitments, Dr. Zacharzuk-Marciano enjoys snow skiing and snowboarding, embracing an active lifestyle that complements her career in healthcare.
