Newcastle upon Tyne, England Dec 14, 2024 ([Issuewire.com](https://www.issuewire.com)) - Originating from Newcastle, the young and vibrant and extremely talented music producer **Solora** is here to make the nights filled with good vibes only. Recently this young artist has released two brand new hit tracks that have been gaining him popularity from audience all over the world. His immense talent and creativity have made the 90s to come back with a bang. His new tracks '[Roses](#)' and '[The Crazy One \(Uptown New York Mix\)](#)' are testaments to his sheer passion and dedication for music production.

The verses and the melodic tunes are all the result of **Solora's** creativity and profound knowledge of sound and music. This rising artist has the capability to manipulate and bend tunes to his will and has been spreading love through his interesting and smooth music. The track '**Roses**' is deceiving, with its harmonious, laid-back vibe instantly at odds with the hard-hitting lyrics about life on the streets, racism and knife crime.
