

To New Beginnings: Trinite Consulting sets up headquarters in Chicago

Trinite Consulting, a professional services firm specializing in Business Consulting, Business Process Outsourcing, and Staffing Services, is thrilled to announce the opening of their headquarters in Schaumburg, Illinois.

Schaumburg, Illinois Dec 12, 2024 ([IssueWire.com](https://www.IssueWire.com)) - Trinite Consulting, a professional services firm specializing in Business Consulting, Business Process Outsourcing, and Staffing Services, is thrilled to announce the opening of its headquarters in Schaumburg, Illinois.

Trinite Consulting is founded and managed by Mr. Maju Sukumaran, a Business Excellence Coach, and Mentor with 25+ years of experience in Operational Excellence, Strategic Transformation, and Organizational Change Management. He is supported by an expert team of consultants specializing in a wide array of Business Transformation frameworks.

Here are Trinite Consulting's core services:

[Business Consulting](#): Identifying blockers to the smooth flow of materials and information across the value chain, deploying world-class frameworks to achieve a seamless and continuous flow, and transforming the landscape through necessary process change and effective Change Management.

[Business Process Outsourcing](#): Trinite consultants conduct 360-degree assessments of Current State business functions, then establish and maintain BPO models tailored to their clients' needs. Their offshore BPO teams are then trained with the support of their clients and made live, ensuring rapid transition to the Target State. Lastly, they maintain a comprehensive set of KPIs, taking full accountability for the sustained transformation of the business processes.

[Staffing Services](#): Trinite's recruiter's source for Contingent, Permanent, and Contract-to-Hire staff, using AI-driven technology across multiple platforms. They offer comprehensive resume screening, in-depth interviews, technical assessments, and behavioral evaluations to gauge both technical and soft skills. Lastly, Post-Placement and Managerial support is provided in case of issues.

The office will serve as the business center of Trinite Consulting's operations, supporting their offshore team in realizing Trinite's mission of improving their clients' process efficiency, enhancing their productivity, and through these steps, enabling higher profitability.
