

Tommy Talk - A Fresh Alternative to Facebook with TRAVELADVANCES.COM

Tommy Talk is a fresh new alternative to Facebook brought to you by the hottest new travel website, TRAVELADVANCES.COM

Fort Worth, Texas Dec 19, 2024 ([Issuewire.com](https://www.issuewire.com)) - TRAVELADVANCES.COM is the hottest new travel website designed with the savvy adventure traveller in mind. And with the prevalence of social media in our daily lives, TRAVELADVANCES.COM has some unique features specifically focussing on staying socially connected no matter where you are on your travel journey.

It is estimated that over [5 billion people use social media](#) around the world and currently, people spend an average of at least 145 minutes trawling across several social media platforms each day. So, it's not surprising that TRAVELADVANCES.COM has taken off so successfully.

Tommy Talk for Connecting

Packed with great features, Tommy Talk is fast becoming the preferred alternative to Facebook for Millennial travellers. Tommy Talk offers an attractive and easy to use personalized profile, with text, talk and video chat to keep you connected and social with just a few clicks. With all the usual options to like, post, share and comment means you can share you adventure experiences as well as feel part of your friends' adventures as well.

Travel-Based Social Networking with Tommy Talk

“Our users have the opportunity to connect with four different types of posts,” says Daniel Cafferata, Chief Operating Officer at TRAVELADVANCES.COM. “They can share a travel post, a location post, a picture post, or a video post, whichever they prefer.”

Tommy Talk offers unique features on the website including Travel 100, where users share their experiences and vote on the best locations, tours, restaurants, accommodation and much more. There’s also Travel Mates and many other great features.

“We get great feedback about all our unique features from our users,” says William Cafferata, Chief Executive Officer at TRAVELADVANCES.COM. “And we’re continually looking for ways to improve and add more useful features.”

Combine all these features into one and you have your own personal travel in the palm of your hand.
