

Transforming Beauty with Expertise: Daniel C. Mills, MD, FACS, Continues to Lead Aesthetic Surgery in Laguna Beach

Celebrating Over Three Decades of Excellence in Aesthetic Procedures and Patient-Centered Care

New York City, New York Dec 9, 2024 ([IssueWire.com](https://www.issuewire.com)) - Daniel C. Mills, MD, FACS, a board-certified and fellowship-trained plastic surgeon, proudly announces the continued success of the Aesthetic Plastic Surgical Institute, a practice dedicated to providing exceptional surgical and non-surgical aesthetic enhancement solutions. Since its opening in 1988, Dr. Mills has been a cornerstone of the Laguna Beach, Dana Point, and Orange County communities, offering advanced plastic surgery procedures that emphasize natural beauty and vitality.

Located within the serene surroundings of Laguna Beach, the Aesthetic Plastic Surgical Institute has become synonymous with high-quality care. With surgeries performed at the Oceanview Ambulatory Surgery Center, Dr. Mills ensures a safe and comfortable environment for his patients. This private outpatient surgical facility is situated adjacent to his office, facilitating a seamless experience for individuals seeking transformative aesthetic procedures.

Furthermore, Dr. Mills extends his services to additional reputable facilities, including Steele Memorial Medical Center in Salmon, Idaho, Providence Mission Hospital Mission Viejo, and the Children's Hospital of Orange County. His dedication to patient safety, exceptional results, and transparent communication underscores his philosophy of compassionate care.

Dr. Mills specializes in an array of procedures designed to enhance the appearance of the breast, body, and face. His expertise encompasses both surgical and non-surgical options, enabling patients to achieve their desired aesthetic goals through tailored treatment plans. "I am a compassionate and ethical physician who wants nothing more than to enhance your happiness – an objective that begins with a sturdy patient-doctor relationship," Dr. Mills stated. "My staff and I dedicate ample time to consultations, as this initial meeting is vital for understanding each patient's unique needs and concerns."

In addition to the Aesthetic Plastic Surgical Institute, Dr. Mills also operates Laguna Beach Rejuvenation and Wellness. This extension of his practice offers a variety of minimally invasive aesthetic enhancement alternatives, including leg vein treatment, BOTOX® Cosmetic, and top-tier skincare products. Patients can expect personalized care and innovative solutions aimed at rejuvenating their appearance and boosting their confidence.

Dr. Mills comes from a distinguished lineage of medical professionals, with a family legacy comprising nineteen medical doctors. He completed his medical education at Loma Linda University School of Medicine and underwent comprehensive training in general surgery at Wright State University. His dedication to plastic surgery culminated in specialized training at the Medical College of Ohio, followed by an esteemed fellowship year in aesthetic surgery in Phoenix, Arizona.

A respected leader in the field, Dr. Mills served as the President of the California Society of Plastic Surgeons from June 2007 to June 2008. He was honored to be president of the American Society of Plastic Surgeons (ASPS) from 2016-2017. He is also an active member of several prestigious organizations, including The Aesthetic Society®, the California Society of Plastic Surgeons, the American Society of Plastic Surgeons, the Aesthetic Surgery Education and Research Foundation, and the American College of Surgeons (Fellow). Dr. Mills has also contributed significantly to the education of future surgeons through a decade of teaching at Loma Linda University. His innovative contributions to the field of plastic surgery have been recognized globally, with numerous publications and presentations at national and international conferences.

Dr. Mills' commitment to excellence extends beyond his practice. He actively participates in humanitarian efforts, collaborating with charities such as "Amigos de los Niños" and Operation Good

Samaritan to provide essential plastic and reconstructive surgery to impoverished children suffering from congenital deformities. Additionally, he engages with the Community Services Project to help remove visible tattoos from reformed gang members, aiding their reintegration into society and improving their employment opportunities.

As he reflects on his career, Dr. Mills expresses a deep commitment to continuing his family's legacy in medicine and positively impacting the lives of his patients and the broader community. "I hope to leave a lasting impression not just through my surgical skills, but through the relationships I build and the lives I touch," he added.
