

Unconventional and Groovy Rap Tracks by the Talented JJ VISCANE

Just when the rap industry was starting to look a bit bleak like a storm came the young and extremely talented rapper JJ VISCANE with his brand-new hit tracks.

Wellington, Dec 9, 2024 ([Issuewire.com](https://www.Issuewire.com)) - The rap music industry is seeing a sudden change in

energy and the credit goes to all the newcomers and the fresh booming talented souls who are here to portray their immense dedication and passion for this music form. One of these talented souls is shining a bit brighter than the rest of the crowd and it is none other than the extremely talented and versatile rapper **JJ VISCANE** who has recently dropped three brand new tracks called '**Right One Left One**', '**Kardashian**' and '**Don't Start What You Can't Finish**' that has made the whole world witness his creativity at its finest. The rapper is a critique when it comes to baseless societal norms and internal conflicts which are perfectly showcased in his tracks along with the heart-felt melody.

This enticing rapper has already become a global sensation due to his popularity on major music streaming platforms and the addition of brand new tracks like '**Kardashian**' or '**Don't Start What You Can't Finish**' has added to the immense popularity. The uplifting beats along with the superbly creative background score in the track '**Right One Left One**' showcases the wide range of knowledge the young rapper **JJ VISCANE** holds about the art form of his love and passion. The intricate verses or the fast-paced lyricism along with the fire-filled background music has lifted all of three tracks to a completely different level which can be attained by a very small number of rappers nowadays.

All of the three newly released tracks along with the previously released ones of this New York-born and South Florida-raised rapper are streaming on major music streaming platforms like [Spotify](#) so his fans can tune in to those tracks whenever they want and to get new updates and information about the rapper and his upcoming tracks and projects they can visit his social media profiles on [Instagram](#), [YouTube](#), [X](#), and [Apple Music](#).
