

Victor C. Archie, MD, MBA, Now Accepting New Patients at Norfolk's Brock Cancer Center

Innovative Leader in Radiation Oncology Brings Expertise to Local Community

New York City, New York Dec 20, 2024 ([IssueWire.com](https://www.issuewire.com)) - A highly respected radiation oncologist and healthcare executive, Dr. Archie is pleased to announce that he is now accepting new patients at the Brock Cancer Center in Norfolk, Virginia. With a robust educational background and extensive experience in oncology, Dr. Archie is dedicated to providing compassionate and cutting-edge care to those battling cancer.

Throughout his academic career, he received his undergraduate degree from North Carolina Central University before earning his medical degree from the University of North Carolina School of Medicine. He completed his internship at Spartanburg Regional Medical Center and his residency at the prestigious UCLA Medical Center. He is board-certified in both Radiation Oncology and Hospice and Palliative Medicine, ensuring a comprehensive approach to patient care.

In addition to his clinical practice, Dr. Archie is a published author and innovative researcher whose work has been featured in esteemed publications such as the *Oncologist* and *Critical Reviews of Hematology and Oncology*. He is an active investigator with the National Institutes of Health (NIH) and the Gynecologic Oncology Group, contributing to the advancement of cancer treatment and research.

Dr. Archie's leadership experience includes serving as the Director of Radiation Medicine for the Cancer Centers of North Carolina in Asheville prior to relocating to Virginia. His commitment to patient-centered care and clinical excellence has made him a trusted figure in the oncology community. As a member of the American College of Radiation Oncology, he stays abreast of the latest developments in cancer treatment, ensuring that his patients receive the highest standard of care.

In addition, he earned his Master of Business Administration (MBA) from the University of Tennessee, equipping him with the skills to manage healthcare effectively and improve patient outcomes. He is passionate about utilizing his expertise to enhance the patient experience at the Brock Cancer Center.

Currently residing in Suffolk, Virginia, Dr. Archie enjoys spending time with his wife and children. He looks forward to serving patients in the Norfolk area and is committed to making a positive impact in the lives of those he treats.
