Tampa New Home Realty: Leading the Way in New Home Construction Expertise

New York City, New York Jan 29, 2025 ([Issuewire.com](https://www.issuewire.com)) - Tampa New Home Realty, under the ownership and management of Angelina "Angie" Aleman, is setting a new standard for excellence in the Tampa Bay real estate market. With over 27 years of extensive experience in the industry, Angie has dedicated her career to helping buyers navigate the often complex process of purchasing new homes, emerging as a premier expert in new home construction.

Angie's journey in real estate began after she earned a degree in broadcast journalism from Cleveland

State University. Introduced to the industry by a college friend, she quickly transitioned into a successful career in real estate, focusing on new home construction. Over the years, Angie has built a solid reputation, working with over 30 builders in the area and specializing in a wide range of homes from spec to custom options. Her depth of knowledge about the Tampa market is unmatched, making her an invaluable resource for homebuyers.

At the helm of Tampa New Home Realty, Angie has assembled a team of award-winning sales consultants, each boasting over 20 years of experience with Tampa Bay's largest home builders. Together, they provide a wealth of experience and resources to ensure clients receive the best service possible. Angie's commitment to education and client service has been a driving force behind her success, as she continuously seeks to expand her knowledge and provide the best guidance to her clients.

Angie's accolades reflect her dedication and hard work. She has been recognized as a Top Producer, Rookie of the Year, and a member of the prestigious President's Club. In 2013, she was honored as a Tampa Bay Business Journal Business Woman of the Year Alumni, further solidifying her reputation as a leader in the industry. Her commitment to excellence has earned her a place in the Million Dollar Circle, showcasing her status as a trusted advisor in the Tampa Bay area.

Beyond her professional accomplishments, Angie enjoys supporting her 7-year-old son, Luke, in his pursuit of BMX Olympic dreams. Luke has achieved remarkable milestones, including titles of #1 in the District and #1 in the SE region, and he will proudly represent the United States as the youngest member of Team USA at the 2025 BMX World Championship in Copenhagen, Denmark.

"What I enjoy most about real estate is helping others navigate the path to homeownership," Angie states. "A home is more than just a house; it is a blank canvas for your future memories and financial security. With a little planning and saving, anyone can own their home, and I am here to help make that dream a reality."

Angie attributes her success to the unwavering love and support of her family, including her husband Jason, eldest son Michael, daughter Madison, and young son Luke. This support fuels her passion for helping others achieve their dreams of homeownership.
