Army Bhanderi's Innovative Art Blends Tradition with Modern Aesthetics, Transforming Spaces with Tanjore Paintings, Wall Murals, and Spiritual Artwork

## Surat, Gujarat Jan 13, 2026 ([IssueWire.com](https://www.IssueWire.com)) - Army Bhanderi: Surat-Based Artist Redefining Wall Murals, Hindu God Oil Paintings, and Tanjore Art

With over eight years of experience in the world of fine art, **Army Bhanderi**, a renowned Surat-based artist, is quickly becoming a leading name in the art community for her extraordinary expertise in **wall murals, Hindu God oil paintings, Tanjore paintings, sketches, and custom art commissions**. Her innovative approach to blending tradition with modern aesthetics has gained her recognition both locally and globally.

### A Journey Fueled by Passion and Dedication

Army Bhanderi's artistic journey began in 2016 when she turned her passion for traditional Indian art into a professional career. Since then, she has carved a niche for herself, particularly through her **wall art**. From large-scale **wall murals** in public spaces to intricate, lifelike **portrait art** and **Tanjore paintings**, her work beautifies a wide range of locations, including **luxurious hotels, newly built flats, and tourist destinations**.

**"Art should not only enhance a space but also inspire positivity and a deeper connection with the environment,"** says Army. Her large-scale murals often transform ordinary spaces into immersive experiences, with every stroke speaking of her dedication to creating meaningful art that resonates with people.

### Mastering Tanjore Paintings, Hindu God Art, and Custom Portraits

One of the Army's standout specializations is her **Hindu God oil paintings**, where she brings divine figures such as **Krishna, Shiva, and Durga** to life. Her **Tanjore paintings** blend the traditional South Indian art style with a modern touch, creating exquisite pieces that radiate spirituality and devotion. Her **oil paintings** and **sketches** have a unique vibrancy, capturing intricate details with unmatched precision, making her a sought-after artist for custom commissions.

Army's **portrait art** is also widely celebrated for its emotional depth, capturing the likeness and essence of her subjects with meticulous attention to detail. Whether it's a **family portrait**, a tribute to loved ones, or a personalized gift, Army's work reflects her skill in creating timeless pieces of art.

### Recognition and Achievements

In 2023, Army Bhanderi achieved a significant milestone by being part of the group that earned the **Golden Book of World Records** for creating the largest rangoli portrait. The monumental artwork, measuring 75x30 feet, depicted **Sardar Vallabhbhai Patel** at **Khodaldham, Gujarat**. This achievement exemplifies her commitment to pushing the boundaries of traditional art and bringing her creative vision to life in grand and impactful ways.

### Army's Vision for the Future

Army is not only focused on creating exceptional art but is also passionate about fostering a global community of like-minded artists. She envisions a platform where artists—regardless of fame—can receive recognition for their skill and craftsmanship. Through **collaborations** and **mentorship**, the Army aims to build a supportive environment where creative individuals can thrive and share their work with the world.
