

Asima Bajwa, MD: A Leading Light in Ophthalmology with a Patient-Centered Approach

Elevating Eye Care Standards at Champlain Ophthalmology in Bethesda, Maryland

New York City, New York Jan 25, 2025 ([Issuewire.com](https://www.issuewire.com)) - Asima Bajwa, MD, a board-certified ophthalmologist and an accomplished glaucoma and cataract surgeon, is making significant strides in the medical community with her commitment to exceptional patient care. Based at Champlain Ophthalmology in Bethesda, Maryland, Dr. Bajwa offers a comprehensive range of ophthalmic services,

ensuring that patients receive the highest quality of care for various eye conditions.

Her practice includes the treatment of glaucoma, uveitis, cataracts, dry eye syndrome, and general eye health issues. Dr. Bajwa is particularly recognized for her proficiency in advanced, microinvasive techniques for glaucoma and cataract surgeries. She utilizes cutting-edge solutions such as astigmatism-correcting toric and multifocal lenses, helping her patients achieve optimal vision and improved quality of life.

Dr. Bajwa's journey in medicine began at Fatima Jinnah Medical College, where she earned her Medical Degree and was distinguished as the Best Graduate of the Year, receiving numerous awards including the Presidential Gold Medal and five University Gold Medals. Following her graduation, she completed her residency in ophthalmology at Howard University Hospital in Washington, D.C., where she served as Chief Resident, further honing her skills.

Dr. Bajwa's pursuit of excellence continued with a glaucoma fellowship at Yale New Haven Hospital and a uveitis clinical research fellowship at the Massachusetts Eye Research & Surgery Institute, where she worked under the esteemed Dr. Stephen Foster. Her extensive training has equipped her with a wealth of experience that she brings to her practice.

As a board certified ophthalmologist by the College of Physicians and Surgeons Pakistan, Dr. Bajwa has a wealth of experience in the field. She previously worked at the University of Virginia as a glaucoma research coordinator, where she actively engaged in clinical trials under the mentorship of Peter A. Netland, MD, PhD.

An active member of various professional organizations, including the American Academy of Ophthalmology, the American Glaucoma Society, the Virginia Society of Eye Physicians and Surgeons, and the Washington D.C. Metropolitan Ophthalmological Society, Dr. Bajwa is dedicated to advancing the field of ophthalmology through research and education. With over 25 scientific publications to her name, she is also a sought-after speaker at regional, national, and international conferences.

Beyond her clinical work, Dr. Bajwa is passionate about humanitarian efforts, volunteering with Humanity First, USA, and participating in international ophthalmology missions to countries like Guatemala and Burkina Faso.

Dr. Asima Bajwa's unwavering dedication to patient care and her commitment to advancing eye health underscore her status as a leading figure in ophthalmology, earning her accolades and deep appreciation from both patients and peers.
