

Belly Harding Has Delivered Her Finest Creation on Newest Single 'Mokili Oyo (Mungu)'

Belly Harding, the talented French singer-songwriter is here with her newest single. 'Mokili Oyo (Mungu)' showcases the singer's vocal prowess and dynamic spirit.

London, Jan 2, 2025 (Issuewire.com) - The extremely talented and musically gifted singer-songwriter **Belly Harding** is back to gift her fans the biggest blessing of the year. Her newest project is out, and the record, '[Mokili Oyo \(Mungu\)](#)' has captivated the imagination of the fans and the critics. This record is also on its way to becoming one of the most critically acclaimed and highest charted in

her discography. Residing in London, the French singer-songwriter was formerly known as Belly Kindombe in the early 2000s. Music has always been her passion from early childhood which can be very well reflected in her current musical endeavors. Beginning her career as a gospel artist, Harding had her first album 'Revelation 2000' in 2001. Since then the eclectic musician has never looked back. She experimented with different kinds of styles and genres to develop her signature style of musicality.

A single genre does not define the newest record, so the audience got an exciting combination of different music styles from Harding. In this song, the artist blends R&B, soul, Afrobeat, and pop. However, what makes '**Mokili Oyo (Mungu)**' so different and an exciting new record for her fans is that through this song, the artist has delivered words of faith and love. The lyrics are what draw the listeners even more, complimenting the composition to another level. However, the vocals are truly mesmerizing and star of the entire track. It is also what makes the song complete, showcasing the vocal prowess that **Belly Harding** offers. You can listen to the track on Spotify, along with her previous records such as 'On Top', 'Mi Amor - Remix', 'Mi Amor (Version Francaise)', 'Mi Amor', etc. Follow her on [Facebook](#), [Instagram](#), [TikTok](#), and [YouTube](#) for regular updates.
