

Betsy A. Shaw, MD: Regal Family Practice Expands Affordable Healthcare in Paramount, CA

Providing Comprehensive Care and Preventative Health Strategies for All Ages

New York City, New York Jan 8, 2025 ([Issuewire.com](https://www.issuewire.com)) - Providing Comprehensive Care and Preventative Health Strategies for All Ages

A distinguished family practitioner, Dr. Shaw is dedicated to delivering comprehensive healthcare services to the diverse community of Paramount, California. With a career spanning several decades, Dr. Shaw specializes in treating patients of all ages, focusing not only on diagnosing and managing illnesses but also on promoting preventative care through routine checkups and personalized health coaching.

In regards to her educational background, she completed her medical education at the University of Santo Tomas, graduating in 1974, followed by her residency in family medicine at Charles R Drew University of Medicine and Science from 1984 to 1987. Her extensive training and experience have equipped her with the skills necessary to address a wide range of health concerns, making her a trusted provider for families in the area.

As a family practitioner, Dr. Shaw emphasizes the importance of preventative care, which includes regular health assessments, screenings, and lifestyle guidance. She believes that empowering patients with knowledge about their health can lead to better outcomes and improved quality of life. "My goal is to not only treat illnesses but to help my patients understand how to maintain their health proactively," she explains.

Dr. Shaw and the team at Regal Family Practice are committed to treating every patient with the respect and care they deserve. Regardless of insurance status, race, gender, or age, we strive to provide care that addresses the full spectrum of health needs, promoting wellness, and restoring health in the safest, most efficient manner possible.

Regal Family Practice Medical Center, led by Dr. Shaw, is a trusted healthcare provider committed to delivering affordable, high-quality medical care to patients of all ages and backgrounds. Offering a range of services, including primary care, chronic disease management, mental health services, diagnostic testing, and more, Regal Family Practice is dedicated to helping patients achieve and maintain their best health.

In addition to her clinical expertise, she is particularly passionate about serving underserved and rural populations. Family practitioners like her play a crucial role in ensuring that these communities receive the medical attention they need. By providing accessible health care, Dr. Shaw aims to bridge the gap in health disparities and improve overall community health.

Dr. Shaw's approach to medicine is holistic, focusing on the physical, emotional, and social aspects of health. She takes the time to build lasting relationships with her patients, ensuring that they feel heard and valued. Her commitment to patient-centered care has earned her a loyal following within the Paramount community.

For those seeking a compassionate and knowledgeable family practitioner, Dr. Betsy Shaw welcomes new patients to her practice. With a firm belief in the value of accessible health care, she continues to

make a positive impact on the lives of her patients and the community at large.
