Providing Expert Psychiatric Care with Compassion and Dedication to Improving Lives

New York City, New York Jan 8, 2025 ([Issuewire.com](https://www.issuewire.com)) - Claus P. von Schorn, MD, a distinguished psychiatrist with a private practice in Mount Vernon, New York, is dedicated to providing compassionate and comprehensive mental health care to adults and the geriatric population. With a wealth of experience and a passion for improving the lives of his patients, Dr. von Schorn is a leading figure in the field of psychiatry.

Dr. von Schorn's extensive qualifications include serving as the Chairman of the Department of Psychiatry at Montefiore Mount Vernon Hospital and as a psychiatrist at Montefiore New Rochelle Hospital. His academic contributions extend to his role as an Assistant Professor in the Department of Psychiatry and Behavioral Sciences at Albert Einstein College of Medicine, where he trains the next generation of psychiatrists.

Graduating with his Medical Degree from Università degli Studi di Roma "Tor Vergata" - Facoltà di Medicina e Chirurgia in 1993, Dr. von Schorn honed his skills at SUNY Downstate Medical Health Science Center, where he notably served as Chief Psychiatric Resident. His commitment to geriatric psychiatry led him to complete a fellowship at St. Vincent's Hospital from 2003 to 2004, further enriching his expertise in managing complex mental health issues among older adults.

As a Diplomate of the American Board of Psychiatry and Neurology, Dr. von Schorn is recognized for his commitment to excellence in psychiatric care. He is an active member of both the American Psychiatric Association and the American Association for Geriatric Psychiatry, contributing to the advancement of psychiatric practices and standards in the field.

Dr. von Schorn credits his success to the profound influence of his family, instilling in him the values of compassion and dedication. He believes in treating each patient with the utmost respect and individualized care, recognizing the unique challenges faced by adults and the elderly in today's world.

Outside of his clinical duties, Dr. von Schorn enjoys spending quality time with his family, which he believes is essential for maintaining a balanced life. He is an avid reader of JAMA Psychiatry, a leading monthly peer-reviewed journal that informs his practice and keeps him updated on the latest research and innovations in psychiatry.
