

Debbie Donaire: A Compassionate Leader Changing Lives at St. Luke's Anderson Campus

Combining Expertise and Passion to Enhance Patient Care in Bethlehem, Pennsylvania

New York City, New York Jan 27, 2025 ([Issuewire.com](https://www.issuewire.com)) - St. Luke's Anderson Campus is proud to spotlight Debbie Donaire, a dedicated Certified Nursing Assistant (CNA) whose unwavering commitment to patient care is making a significant impact on the lives of those she serves. With over two decades of experience and a passion for enhancing the quality of life for her patients, she exemplifies the essence of compassionate healthcare.

A pivotal member of the St. Luke's team, she works tirelessly at both the Anderson Campus and Sacred Heart Senior Living. Her expertise spans a wide range of areas, including patient care, hospice support, medication management, and surgical assistance. Her extensive training and background, including her education from Queens College in 1999, have equipped her with the skills necessary to provide exceptional care to her patients.

"Every day, I strive to bring comfort and dignity to my patients," says Debbie. "I believe that effective communication, safety, and trust are the cornerstones of quality healthcare. My goal is to ensure that each patient feels valued and cared for."

In addition to her hands-on work, she is actively involved in her community. She is a proud member of the Food Bank Organization and the American Nurses Association, reflecting her commitment to improving healthcare access and outcomes for all. Her dedication to service goes beyond her professional life; as an evangelist in her church, Debbie finds strength and inspiration in her spirituality, attributing her success to hard work and a calling to serve others.
