

Diane Papke, MD: Advancing Mental Health Care with Compassion and Expertise

Bringing Over Two Decades of Psychiatry Expertise to Talkiatry in Scottsdale, Arizona

New York City, New York Feb 18, 2026 ([Issuewire.com](https://www.issuewire.com)) - Talkiatry, a leading provider of psychiatric care, is proud to announce the addition of Diane Papke, MD, to its team of staff members in Scottsdale, Arizona. With a distinguished career spanning over two decades in psychiatry, Dr. Papke specializes in medication management and is dedicated to improving mental health outcomes for her patients.

Dr. Papke has a keen interest in treating a range of psychiatric disorders, including anxiety, depression, PTSD, OCD, ADHD, and bipolar disorder. Her experience with medical comorbidities, including neurologic disorders, equips her to provide comprehensive care to her patients. In 2023, she expanded her practice to include telehealth management, ensuring accessible care for a broader patient base.

A graduate of the University of Toledo College of Medicine and Life Sciences, Dr. Papke completed her internship in internal medicine at St. Joseph's Hospital and Medical Center in Phoenix, followed by a neurology residency at Barrow Neurological Institute and a psychiatric residency at Maricopa Medical Center. She began her career in 2005 at ValueOptions, Inc., where she provided onsite psychiatric care. Her journey through the mental health landscape led her to Partners in Recovery at COPA Health, where she focused on community engagement and medication therapy management. In 2018, Dr. Papke took on the role of ACT psychiatrist at Terros Health in Scottsdale, refining her expertise in outpatient care and team leadership. Her subsequent roles at Magellan Behavioral Health and Lifestance Health further demonstrated her commitment to enhancing mental health services across diverse populations.

Throughout her career, Dr. Papke has focused on caring for seriously mentally ill (SMI) patients, embracing a philosophy of "propelling people forward to wellness." This mantra has guided her approach, emphasizing the importance of supportive care in achieving optimal mental health.

With a no-nonsense approach, Dr. Papke believes that the foundation of effective psychiatric care lies in a holistic partnership with her patients. By listening with an open mind and heart, she collaborates with individuals to determine the most effective medication management and supportive care strategies tailored to their unique needs.

Talkiatry is excited to welcome Dr. Papke to its team, where her extensive experience and compassionate philosophy will undoubtedly enhance the quality of care provided to patients in Scottsdale and beyond.
