

Dr. Baraa Al-Hafez: An Expert Neurosurgeon at Baylor St. Luke's Medical Group in Lufkin, TX

Bringing Specialized Spine Care to East Texas Community

New York City, New York Jan 2, 2025 ([Issuewire.com](https://www.Issuewire.com)) - A highly experienced and board-certified

neurosurgeon, Dr. Al-Havez is affiliated with the Baylor St. Luke's Medical Group, offering his expertise in neurosurgery and specialized spine care to the residents of Lufkin and surrounding areas. With extensive training and a commitment to patient-centered care, he is dedicated to providing advanced treatment options for a range of neurosurgical conditions.

After graduating with his medical degree from Tichreen University in Syria, he went on to complete a rigorous residency in neurosurgery at Baylor College of Medicine, one of the leading medical institutions in the country. To further refine his skills, he undertook a prestigious spine fellowship at the University of Texas at Memorial Hermann Hospital. With five years of experience practicing in Houston, he has gained valuable insights and techniques in both hospital and private practice settings.

Now stationed at St. Luke's Health Memorial Hospital, Dr. Al-Hafez specializes in a wide array of neurosurgical procedures, including general cranial and spinal surgery, brain and spine trauma management, compression fracture surgery, and treatment of conditions such as herniated discs, subdural hematomas, and brain tumors. His comprehensive approach to treatment encompasses not only surgical interventions but also thorough consultations for patients suffering from neck and back pain.

"Listening to my patients and engaging with them in their treatment decisions is at the core of my practice," Dr. Al-Hafez stated. "I believe that informed patients are empowered patients, and I strive to ensure they understand their conditions and options."

Outside of medicine, he enjoys an active lifestyle in Lufkin, where he participates in swimming, soccer, and theater. He is also committed to giving back to the community through volunteer work.
