

Edoxi Training Institute Secures KHDA Approval for Diploma Programs

New Diploma Programs at Edoxi

The graphic features a light yellow background with a large, faint orange circular arc on the right side. In the top left, the Edoxi logo is displayed in blue and orange. Centered in the middle is the text "We're Now Approved KHDA for Diploma Courses" in black, with "KHDA" in red. To the right of this text is the KHDA logo, which includes the Arabic word "المعرفة" (Knowledge) and the English word "Knowledge". Below this, an orange horizontal band contains three diploma icons and the text "Diploma in Cybersecurity", "Diploma in Information Technology", and "Diploma in Business Management". Further down, the quote "Unlock Your Future with Globally Recognized Qualifications" is centered. At the bottom, the email "info@edoxi.com" and the website "www.edoxi.com" are listed, along with the QUALIFI logo on the right.

Dubai, United Arab Emirates Jan 23, 2025 ([IssueWire.com](https://www.issuewire.com)) - Edoxi Training Institute, a top provider of professional training and education in Dubai, is thrilled to announce its recent approval from the Knowledge and Human Development Authority (KHDA) to offer a variety of diploma qualifications. This achievement positions Edoxi as a leading institution for business, information technology, and cybersecurity education in the Dubai region. With the KHDA's Vocational Education Institution (VEI)

Permit, Edoxi can now deliver diploma programs, including Qualifi Level 3, Level 4, and Level 5 in Business Management, Cybersecurity, and Information Technology. These programs cater to both aspiring professionals and experienced practitioners looking to enhance their skills.

New Diploma Programs at Edoxi Foundation Course (Level 3): This course prepares students for undergraduate studies by providing essential academic foundations.

Higher National Diploma (HND): This program allows students to enter the final year of bachelor's degree programs, facilitating smoother academic progression. To accommodate various learning preferences, Edoxi is launching two distinct class schedules:

Regular Students: Classes are held Monday to Friday for a structured learning experience.

Professionals: Weekend classes designed for working individuals balancing career development with academic goals. Sharafudhin Mangalad, CEO of Edoxi Training Institute, expressed his enthusiasm, stating, "We are honoured to receive this approval from KHDA. Edoxi is dedicated to becoming a premier provider of technology-related diploma courses in Dubai. These qualifications will empower learners to thrive in today's competitive job market." The KHDA approval reflects Edoxi's commitment to high-quality education standards. Students enrolled in these programs will benefit from a rigorous curriculum, expert faculty, and industry-aligned skills, ensuring their readiness for academic and professional success.
