The agency's [Spotify Promotion Services](#) is affordable and now with the upcoming New Year Sale, not working with The Tunes Club will be the biggest missed opportunity!

The company has been working in the industry of music marketing for several years, helping several prominent names find their places in the global industry. This has given **The Tunes Club** in-depth marketing knowledge and paired with its years of experience, the company provides one of the most effective marketing campaigns on Spotify from musicians from all around the world. The website has four music marketing packages from which artists can pick and choose according to their requirements and goals.

The first option is the '**Spotify Marketing Package**', designed to promote a single track across over **60 curated playlists**. By selecting this package, artists can expect to attract **3,000 to 3,500** listeners instantly. Additionally, the track will be publicized on social media platforms such as Facebook, Instagram, Twitter, and Pinterest, reaching more than 100,000 followers. After the campaign concludes, artists will receive a detailed report for review. The second option is the '**Spotify Promotion Pack**', which allows the promotion of 2 tracks. These tracks will feature in more than **90 curated Spotify playlists** and be shared on multiple social media platforms, generating **7,000 to 7,500 listeners**. Furthermore, this package includes one paid press release distribution to enhance the campaign's effectiveness. Next is the '**Spotify Marketing Pro Pack**', promoting up to 3 tracks. Each track will be added to over **120 specially curated Spotify playlists**, attracting between **10,000 and 11,000 listeners** while ensuring comprehensive online engagement. This package supports organic audience growth and includes one paid press release distribution along with a music blog.

Finally, the largest option is the '**Spotify Promotion Pro Pack**', allowing the simultaneous promotion of 4 tracks. It features inclusion in over **180 curated playlists**, generating **14,000 to 15,000 listeners** and providing complete online engagement. This package effectively targets audiences based on the style and genre of the music, while also offering paid press release distribution, a music blog, and an artist review. Artists can select any of these four packages that best suit their needs, and regardless of the choice, they will receive campaign reports for their evaluation once completed. All packages are meticulously crafted based on extensive market research and are very affordable. Now with the upcoming New Year Sale, musicians can get a flat **20% discount** on every package, and save a substantial amount.

Don't waste any more opportunities to give your music the attention and exposure it deserves! Remember, the sale starts on **8th January** and ends on **15th January**!!
