James “Jim” Deskins: The HomeBuyer’s Advocate in Columbus, Ohio, Celebrates 28 Years of Dedicated Service to Home Buyers

New York City, New York Jan 8, 2025 ([Issuewire.com](https://www.issuewire.com)) - James “Jim” Deskins, Broker/Owner of The HomeBuyer’s Advocate based in Worthington, Ohio, has established himself as a trusted partner for home buyers in the Columbus area and surrounding communities. With over 28 years of experience in the real estate industry, Jim is renowned for his commitment to advocating for buyers, ensuring they navigate the complexities of home purchase with confidence and clarity.

A proud alumnus of Ohio State University, Jim entered the real estate profession in 1996 after a career change inspired by a friend’s encouragement. His passion for helping others led him to earn his broker’s license in 2006, at which point he founded his own residential real estate company. Jim’s extensive qualifications, including certifications such as MRP, GREEN, ABR, CPS, NHSP, and CRM, reflect his dedication to providing specialized knowledge and exceptional service to his clients.

With a client-centered approach, Jim prioritizes understanding the unique needs, wants, and goals of each buyer he works with. By educating his clients about the home-buying process, he empowers them to make informed decisions that will positively impact their financial future. Known for being a no-frills, nuts-n-bolts, brass-tacks kind of realtor with a straightforward communication style, Jim emphasizes honesty over sales tactics, guiding clients through the journey with humor and ease.

“I believe that buying a home is one of the most significant decisions in a person’s life,” Jim states. “My role is to ensure that my clients feel supported and informed every step of the way. I’m not here to sell homes; I’m here to help buyers find the right fit for their future.”

In addition to his professional commitments, Jim is actively involved in his community, having had the opportunity to serve on various boards and volunteer with local organizations, including a non-profit providing nature education to youth and his local church. He currently sits on the Professional Standards Committee and is a Mediator at the Ohio Association of Realtors.

Residing in Galena with his wife and their beloved dog, Cali, Jim enjoys spending time with his two grown children, staying active through fitness and soccer, tinkering with projects and home improvements, as well as indulging his motorcycle enthusiasm. He combines his professional expertise with a personable approach, making the home-buying experience enjoyable and transparent, while building lasting relationships with his clients.
